PRESIDENT'S REPORT

Congratulations to all on a brilliant Season 2022 where those involved in various ways can be proud of how they've represented our Club. Each week, in making my way around the games, I've witnessed countless examples of how important this Club is to many, be it from our members' willingness to put others first, or commitment to the game, to self-improvement and sportsmanship, particularly our kids, it is incredible to see.

This year NHJFC was represented by 355 players across 17 teams and Auskick. Our girls numbers continue to increase, now making up more than 25% of our players with the addition of our very first Under 9 girls' team. We will continue to build on the great work of the many before us to ensure our club remains a leading destination for what is one of the most exciting additions to AFL. To our Under 9 girls, Under 8 boys, Auskickers and all first year players and families, welcome to the North Hobart family and we look forward to many more memories.

The number of players and volunteers required to field teams is one of footy's great challenges, but without doubt the mate-ship and sense of belonging this offers makes it one of footy's greatest strengths. Whilst the players with their attack on the ball and focus on team goals are indeed the stars of the show, particular recognition must go to the commitment of the just over 100 volunteers who pull on an invisible guernsey and make it all possible. Thank you from all of us to all Coaches, Team Managers, Assistant Coaches, Runners, Umpires, Ground Managers, Canteen Managers, First Aiders and Sports Trainers and the multitude of other parents and volunteers involved each week

that allow all of our kids to play some footy within a community of incredible role models.

Some key focus areas this year have been providing opportunities for the broadening of community connections beyond team age groups; in particular the connection between coaches and players from Auskick to Seniors. Our aim in doing this is to strengthen our players' sense of belonging and to more clearly show them what pathway opportunities lay ahead. It's been pleasing to witness these goals unfold through our Auskick, Summer Squad, NHFC Academy, all girls training sessions, Speak Up Stay ChatTY sessions and of course the many teams getting an opportunity to play at the Home of Footy, North Hobart Oval. Many thanks to our very hard working junior Committee Members and senior Board Members who have given countless hours of effort to make the season and all the improvements, opportunities, increased resources, broadening of relationships and club success happen.

Congratulations and thank you to everyone at North Hobart for your contribution to a brilliant season 2022. It's not long now until the 2023 season starts – in fact preparation is already underway! We look forward to welcoming our members, new and returning, back for the opportunity to make 2023 even better.

Enjoy the pages beyond and the memories of another great year, here's to the North Hobart family, go Dees!

Josh

North Hobart Football Club

We value enormously, of course, our relationship and close working ties with the North Hobart Junior Footy Club (NHJFC).

I think the relationship and the productive way the two clubs are working together is the best it has been for many years.

Such is the critical importance of this relationship, and the one with the Sandy Bay Junior Football Club, that we now have a dedicated Junior Football Director, Josh Luttrell, on our board.

The productive working relationship is exemplified by many things including the recent creation of a North Hobart Football Academy sponsored by Bennett's Petroleum.

At present the academy is for boys in the Under 14, 15 and 16-year age groups and next year will include girls.

Players for the academy undertake a program that introduces them to strength and conditioning and the drills and game plan that the senior footy club uses.

On 13 July, an academy team made up of Under 15s and Under 16s travelled to Devonport to take on an East Devonport side. It was a great, fun experience for everyone, and we came away with a big win.

The Head Academy coach is player life member, former senior coach and 2003 premiership player Richard 'Bear' Robinson and he was accompanied that day by our Men's Footy Director Luke Curtain, President of the North Hobart Junior Footy Club Josh Harley-Hill, and Laura Negri, playing assistant coach of our Div 1 women's team.

We also have a number of our players who are coaching or assisting with coaching junior sides at NHJFC which is brilliant and again shows both

clubs' close ties with each other and the strong and clear focus on developing young players and growing participation.

Well done to Jack McCulloch, Laura Negri, Chelsea Thomas, and Nicole Smith on the great work they are doing in this area.

This year we have again seen many former NHJFC players make their senior debuts. Well done and congratulations to Leo Blair, Harry McLeod, Tom Ferguson and Zac Barrow on making their senior debuts and to Grace White, Charlotte Barnes, Dasash Denekew and Madi Lamb for making their debuts for our Division 1 Women's team.

We are also one of just three TSL clubs that will proactively pursue an additional \$15,000 from AFL Tasmania in return for meeting a series of KPIs. These KPIs will involve a lot of activities focusing on junior development and participation growth in our zone.

We had no hesitation in taking up this offer as we believe it is critical to do this junior development anyway, regardless of the additional funding from AFL Tasmania.

Craig Martin
President

North Hobart Junior Football Club: Year Book 2022

Representative Honours

The NHJFC would like to congratulate all players selected for southern representative teams and the Tasmania Devils Program in Season 2022. There have been some great individual results and it's been great to see our club well represented at all levels.

Former Demons on the big stage

Congratulations to former NHJFC player Claire Ransom, who was drafted as a first round pick to the Gold Coast Suns.

After being picked up in the mid-season draft, Jye Menzie made his AFL debut in Round 20 as the medical sub for the Essendon Football Club.

Another fantastic year for the North Hobart Auskick saw 40 budding young footballers kick the dew off North Hobart Oval each Sunday morning.

It was great to see the Auskickers learning the skills of Aussie Rules from senior North Hobart Women's and Men's players each week. We worked on our kicking, handballing, marking and evasive techniques, through many fun activities and used them in our games of football. We saw many super boots, species, snags on goal, evasions of the "Angry Ogre", the occasional falcon and many brave Auskickers trying not to show how much their hands hurt from marking and handballing on those cold frosty mornings.

A special thank you to Laura Negri and all the North Hobart senior players who came each Sunday morning to run the activities and umpire the games. The Auskickers (and parents) loved having them at the sessions. Their ability to interact with the kids is to be commended. Under their tutelage, the Auskickers showed vast improvements throughout the season with the final weeks seeing the Auskickers sharing the ball around their teammates with precision kicks and smart handballs and of course a few goals banged home in games.

This year we have seen an increase in girls' participation in Auskick which is fantastic to see, and with a NHJFC Under 8 girls' side there is a path for girls to follow. Hopefully we will see even greater female participation next year.

To the Auskickers, thank you for an enjoyable year. Your eagerness to learn new skills and to do it with a smile and a laugh brings everyone back each week. You have all improved significantly this year, you should be proud of yourselves. Thank you to parents for bringing along your Auskickers and for having fun with them with a kick back and forth before and after the sessions. For those Auskickers who are still eligible for Auskick next year, we hope to see you come back and have some more fun. For those moving up to the junior teams, good luck in your games. I hope the skills you practised in Auskick will allow you confidence to further develop your footballing abilities.

TEAM MANAGER
Austin Jordan

UNDER 8 BLUE

It was only on the last training before our first match that we realised we were going to need to have two teams due to our numbers in the Under 8s this year.

Along with Austin Jordan who volunteered to be Team Manager, I was happy to put my hand up to coach. Although it was the first time we have been involved in these roles, we have really enjoyed it and are glad we could help out!

The boys have been fantastic all season and been a pleasure to coach. With only two of the boys playing last year, it has been great watching them all improve not only in their skills but teamwork and sportsmanship as well.

A big thanks to Austin for his assistance throughout the year and to Josh Baker and Scott Grygiel for helping with Team Manager and coaching roles when Austin or I have been unavailable.

I would also like to thank Russell Yaxley (Coach of Under 8 Red) for his assistance and support throughout the season and all the parents who have helped on game day to make the games run as smoothly as possible.

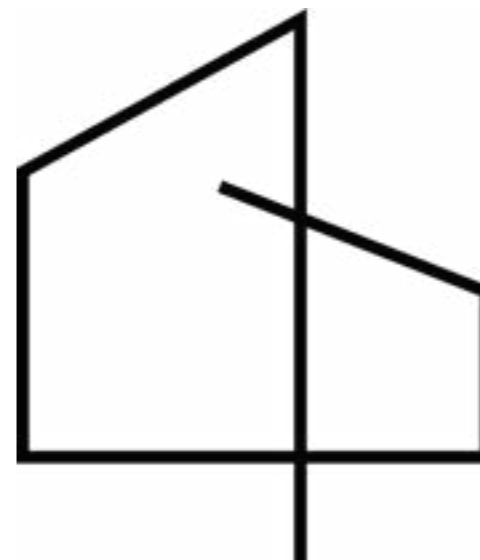

It has been a privilege to coach the boys this year. Each week they come excited to play and really enjoy their time on the field. Hopefully the boys keep building on the skills and friendships they have developed and carry them all the way through to seniors. One day they might be the next stars in the AFL.

Go Dees!

UNDER 8 RED

With the boys coming from different schools and through Auskick, we jumped right into weekly training together (when able!) with much excitement. With skill development and learning to play in a team at the forefront, the boys began to play games for the first time and enjoyed kicking plenty of goals.

With strong numbers, it was agreed that we would have two Under 8 teams. Thank you to Jack Halloran who put his hand up to coach the Under 8 Blue Team. His willingness and desire to see the boys grow in their skills and confidence, plus his ability to help with training was amazing!

It's been fantastic to watch and see every single young fella gain confidence in themselves and their teammates. As the season progressed, it was evident to see their improvement. Thank you boys for being so great to coach, I'm so proud of you all. I loved your enthusiasm and love of the game. You have all done so well, I hope you have enjoyed the season.

Thank you to Jamie Coleman who stood up to manage the parent jobs, help with warm ups, plus umpire every week. Not sure how we could run the season without you! To all the parents and families thank you for being so willing to help when needed, it was never a stress.

Looking forward to next season!

UNDER 9 BLUE

It was the second season for some of the boys and first season for several new players in the Under 9 Blue team. The group quickly came together and gelled as a team. The new rule around tackling was eagerly taken on by the boys. During the course of the year, they developed their own skills and also showed improvement playing as a team.

It has been a great privilege to coach the boys and see the growth in all aspects of the game.

With a large group of players each week, we were often required to send a player or two to the opposition side. The boys would take it in turns and showed great sportsmanship when doing so.

Thank you to all the parents, grandparents, families and friends for showing up and supporting the team as well as helping with the goal umpiring and canteen when needed.

I would also like to thank my wife Kat for looking after the team management for the season.

TEAM MANAGER

Ruth Halton

I wasn't sure what to expect in my first year of coaching at the NHJFC, however it soon became evident that we were extremely lucky to have a group of girls that were committed, showed great listening skills, encouraged each other, and showed an enormous amount of respect to others. On field they were a very competitive bunch, always giving their best. I have been amazed at how quickly the girls have developed their skills and how they have been able to implement these skills on match day in what was the first season of footy for most. Teamwork was a big focus. Respecting others, encouraging, supporting, and importantly having some fun.

It has been a pleasure to coach this wonderful group of girls, never a dull moment at training that's for sure!

Thanks to all the parents that helped during the year with goal umpiring and canteen. Thanks also to our Match Managers, Ruth and Ella, to Kristi and Nathan Foale for their assistance when needed, and to all the people that have helped behind the scenes.

I wish the girls all the best and I hope to see them continue their footy careers at North Hobart in the future.

UNDER 9 RED

We were lucky to see the return of nine of our players from last year and we welcomed the addition of Sid and Mason to the team. The boys commenced the season with a bye and eagerly started their season against the other North Hobart team. It was fair to say that the group was keen to get stuck in, particularly with the introduction of modified tackling.

This year we had 3 key themes that we wanted to follow us through the season:

1. Have Fun
2. Celebrate with your friends
3. Continuous improvement

With this in mind, I could not have been more impressed with the level of friendship, camaraderie, and the ability to implement instructions into a game environment that was practiced at training each week. The level of improvement from the first game from both a personal and team perspective is something all the boys should be proud of as they continue their football journey.

Throughout the year we were able to celebrate milestone game achievements of 25 games for Hugh, Henry and George. Each week the Billy's Burgers vouchers were a great way to reward effort and teamwork for the lucky person who personified the values of what we wanted to achieve as a team.

Thank you to the parents who supported me throughout the season. Whether it was showing up to a wet and windy training session or volunteering to run the canteen. Lastly thank you to Olivia who again supported the boys and me with team management duties.

Thanks again for another outstanding year.

Front Row L to R: Helen Foon (Team Manager) Max Street, Harry Bignell, Samuel Pelham, Harriet McAvoy, Atticus Johnson Harrington, Nathan Street (Coach)

What a year we have had at Team Blue, welcoming new and returning players to the Demons' family. The players have shown excellent commitment and have improved their skill development and teamwork throughout the year. I have been impressed with how aware the players have been of each other on the field and their willingness to share the ball and give everyone an opportunity to get involved in the game. The players have also showed great character and supported each other through some trying moments during games.

The level of sportsmanship shown and respect for the opposition and umpires has been first class and a great advertisement for the NHJFC.

Congratulations to all players who reached 25 and 50 game milestones during the year, a fantastic achievement which we all enjoyed celebrating.

I'd like to thank Helen Foon for being our Team Manager and ensuring everything ran smoothly off the field. Thanks to Troy Cunliffe for assisting with the field umpiring and all the parents that helped with goal umpiring and canteen duties throughout the year.

I look forward to watching the players continue to develop as people and footballers next year as they step up to Under 11s. I'm sure they will continue to take the challenges in their stride, all with a smile on their faces.

COACH

Kurt Styles

TEAM MANAGERS

Scott & Mel Knuckey

The 2022 football season for the Under 10 Red team has been a year full of progress and excitement. The boys have flourished as a team, it has been wonderful to watch their friendships created and strengthened this season. The teamwork, friendship and care the boys have for one another is displayed on the football field.

The team bond has not been the only thing to improve this season. Our overall skill level, both individually and as a team, has really advanced from last season. We have observed some excellent passages of play down the field, impressive goals, strong tackles, all a reflection of their hard work this year.

The encouragement and dedication I hear from the parents each week is another highlight. Everyone has helped immensely with goal umpiring and canteen duties and most importantly making sure the boys are at games and training sessions.

Mel and Scott have been a great asset to the team as Team Managers. The organisation and time they have put in has made my job a lot easier as Coach. They have really put a lot of time and effort into the team behind the scenes and I cannot thank them enough.

2022 has been a year of improvement. Lots of laughter, a few tears but overall a memorable season for Under 10 Red.

I cannot wait to see how they progress in season 2023.

UNDER 11 BLUE

Firstly, it was great to get back to some sort of normality after a challenging few years with COVID impacting our seasons. The Under 11 Blue team was super excited to get stuck into our first year of full ground football!

The players adapted really well to their newfound freedom, running to all parts of the ground, racking up possessions, and turning that into some great performances and team play. The way they moved the ball especially in the back half of the season was fantastic. There were links of play from the back to the forward line where the skill execution was silky, and the fluent ball movement was a pleasure to watch for all. The willingness to share and bring teammates into the game as well as the unselfishness for us to score our team goals was nice to witness.

The boys have shown a great enthusiasm to want to play footy, learn and improve, and it has certainly shown in the performances and individual improvement throughout the year. They have been a pleasure to coach, always listening, implementing their goals to help them and the team improve and just generally making the side a great place to be involved for their teammates and the group as a whole!

To the parents, thanks for your support and especially your support for the boys. They certainly appreciate it as I and the club do.

Thanks to Kristi Foale for managing, Evan Williams for his weekly umpiring, Brett Williams for running, Jason Weir for his help coaching, Tim Miller and Greg McCleod for help at training, Kerri Miller for being our First Aid Officer, and everyone else who helped along the way with goal umpiring, canteen duties etc.

From me as a coach, it is great to see the boys striving to improve and just generally loving playing AFL. I'm looking forward to seeing the boys progress and what their future in footy looks like!

Cheers and looking forward to 2023.

COACH

Nathan Allie

This year saw the merging of the North Hobart Demons and North Hobart Red Team with Aaron Veitch and Nathan Allie coaching the team and Anita Allie as Team Manager.

ASSISTANT COACH

Aaron Veitch

We have seen our boys develop well this year with all showing huge ability and versatility in any position on the field.

TEAM MANAGER

Anita Allie

Oliver, Sebastian, Elliot and Nate have shown great leadership this year, whilst Henry, Jacob, Joseph and Eli have shown they can run all day in the centre putting on some great tackles.

We have seen some fantastic skills from our new player Georgios and brilliant marking skills from Xavier, Zac Littleton and Judd.

Some of our boys have taken upon themselves to improve their defensive skills with Noah, Jordan and Zack Feldmanis shutting down plenty of scoring opportunities from the opposition, with our own goal sneaks Campbell and Mitchell scoring some amazing goals for our team.

A big thank you to the parents and extended families that come out to support our boys.

UNDER 12 BLUE

2022 has been another fantastic season. Once again, it was lovely to see so many of our players return for their last season of junior football. All the boys have improved so much over the year, and it is so rewarding to watch their growth and development. I feel incredibly privileged to have coached so many of these boys throughout their junior football career. The boys should all be incredibly proud of the way they conduct themselves on the field – I feel we are one of the best, and one of the fairest, teams in the competition. Your passion, sportsmanship and team first approach are a delight to watch each week.

One of the highlights of this season was coming together as a whole Under 12 squad for training rather than two separate teams. Due to both teams being light on for numbers some weeks, it has been great to see the enthusiasm of the boys to help out and play an extra game on the weekend. Thank you to all the boys from Under 12 Red who filled in for us over the season, and for their parents for driving them to an extra game of footy, and to our players and parents for helping out the Red Team when required.

Playing on the big ground this season has definitely helped the boys improve their fitness, especially when most weeks we didn't have a bench. They didn't know what had hit them after the first game!

Proud to be a Demon

We are truly lucky to have so many parents who help out each week. Thank you to Jamo for being our weekly Goal Umpire, and to Nicole who stands nearby so that she can fill out the score card. Thanks to Brett for being the Team Runner – it wasn't only the boys' fitness that improved over the year! Thanks to Sam for being not only the Assistant Coach but the Umpire when needed, and even the Team Runner. I appreciate your many talents and everything that you do at training and on match days. Thanks to Jan for taking on the often-thankless job of umpiring each week. Thanks too to Grant for his help on match days. A big thank you to Nat and Nath who are always willing to step into whatever role is vacant on the day, and a big shout out to Nat for managing the Team's Facebook page. Thanks to Jo for her management and organisation over the season. Finally, a huge thank you to all of our parents who are always willing to help out when needed.

I can't wait for the 2023 season and all the excitement that playing youth football will bring. Fingers crossed there's a Grand Final berth waiting for us.

Kylie Stevanovich

The Under 12 Red Team enjoyed another good season developing and learning our great game. We had to quickly find out how to adapt to the bigger grounds we encountered this year as well as coming up against bigger bodied boys. We had a very small side and it was pleasing to see the boys learn to adapt to take the bigger sides on. This year both the Red and Blue teams trained together, this was a great chance to mix the boys and get to know each other before joining forces next year. The future is bright for the club in this age group.

Thanks to Marcus Pamplin for his cooperation and support in having both teams gel. We had a lot of games this season where we were in games right up until the last quarter and sometimes the results did not go our way. This was a great chance to learn for the future and to show the boys what was needed, where we were falling down, and how we could fix it.

I would like to thank Kylie Stevanovich once again for being our Team Manager. Kylie's work behind the scenes has again been tremendous ensuring the team ran smoothly all season.

Thanks to Jack McCulloch from the Senior team for coming on board this year. His insights and approach with the boys were great to have around the group. Hope to see you back next year mate. A massive shout out to Damien Hodgson for helping out at training and taking on the task of umpiring each week. Damien's guidance for the boys out on the field was brilliant.

Thanks to Nathan Foale for supporting all the junior coaches, always calling to make sure everything was ok or if we needed any support. I would also like to thank the Under 11 boys and boys from the Blue team for helping out over the season playing their own game and then doubling up to assist us when we were short. It was a very challenging season managing low numbers and dealing with COVID and the flu. There were some weeks where I didn't think we would be able to field a side but these other boys made it possible. Thanks also to my boys for playing for the Blue team.

Thanks to Josh and the entire committee. I believe the club has taken some serious steps this year to improve the experience for everyone involved and providing a whole club culture. This for me was highlighted with the access to North Hobart Oval. The video of the Under 8s running out on a Friday evening to play at the home of football was the highlight of the season for me. Let's hope this is continued and we get even greater cohesion with the seniors.

ASSISTANT COACH

Robbie Devine

TEAM MANAGER

Clare Oates

This year our Coach's report is a bit different, it's a Team report!

Letting the girls take ownership of their team and their game was a wonderful thing to watch. We are here as a guide, a mentor, and a friend, but at the end of the day this is your game so own it!

This wonderful inspiring group of girls come together not just as a team, but teammates always having one another's backs, led by one of the best role models you could truly ask your daughter to have! Chelsea Thomas is in her own right a talented football player and an exceptional coach - we love you Chels!

Big thanks to Robbie Devine who was not only Assistant Coach to the girls but a great mentor to Chelsea and stepping up to the lead role when Chelsea's own football took her away from our game.

Big thanks to our First Aid Officer, Nurse Lauren Hall, who was always at the ready to have medical attention for our girls (mostly to our number 1 patient Ruby).

A big thanks to my Golden Child Family - the Kellys! Colin was our runner/scoreboard man and did basically whatever was needed, not to be outdone by Renee, my best sidekick and "Clare's fill in" at a moment's notice, and Blake my Goal Umpire! You guys are the best!

To my girls you are all kinds of wonderful. I thank you all for allowing me to again be a part of your magic! Big Demon Love, Clare.

So here is season 2022 by our NHJFC U13 Girls on the next page!

Mia Gilmour

I have enjoyed playing full ground without having to stay in your designated zones at all times. I have LOVED being able to tackle to the ground and have enjoyed playing and training with my friends every week.

Freya Oates

I've loved making new friends and having supportive teammates who pump you up! Playing full field, no zones and being able to tackle. Having Chelsea as a coach is awesome, she is supportive and kind to all of us. Being able to go watch her play football is awesome, she is a great role model to look up to as one day this could be us playing for North Hobart Seniors. Also massive thanks to my Mum, Clare the Team Manager for always bringing good positive vibes to our team and for organising and making sure a lot of things happen as it wouldn't be as fun without you Mum.

Maggie Parker

This year at footy I've loved getting to know everyone and becoming friends with them. Last season I was one of the little kids and the other girls didn't really talk to people like me, Charlotte, and Leslie, so we tried to not do that to everyone else this year and I think we did a pretty good job. I've also loved how Chelsea has taken time out of her Tuesdays and Sundays to coach and train us and encourage us.

Billie Nelson

I've enjoyed how when we are doing drills that sound boring or that are boring you make it really fun, and that if we have a problem on the field you make us feel comfortable and happy again and also with the amazing girls that are in my team.

Liv Kelly

I have enjoyed footy a lot this year. It's my first year playing Under 13s and the best bit about it is I made so many new friends and learnt new skills. I love having Chels as a coach and watching her play, she is kind and caring to us all at training.

Mia Styles

I like playing footy because I have amazing friends at footy and love getting into the game. Everybody at the Dees is so supportive with all my teammates and Chels. Chels is an awesome coach, and she is there for us and trains us hard so we go to the game and we're playing good footy.

Macy Devine

I love football, it is my favourite sport ever! I am so glad I signed up to be in an amazing team. I love football this year. Playing on the big ground just makes things 100 times better and with friends makes it better again. With a footy coach like Chelsea and a Manager like Clare you would die to be in our team. First off Chelsea is an amazing coach and the person who I want to be when I'm older cause she is a gun at footy. Clare the most organised person you will meet on earth, she is a ripper of a Manager. If you want photos Clare will already have it, you will share heaps of jokes and laughs with these beautiful people.

UNDER 13 GIRLS

Charlotte Smith

I've loved having Chelsea as a coach this year because she is such a kind person and she always does her best at coaching us, even though we don't stop talking at training she will continue to do her best coaching us.

Scarlett Hall

This year I have really loved being able to tackle people to the ground. I enjoy going to training to play with my teammates but I especially like tackling Franny to the ground when we go for the ball. The best thing about game day is doing what we practice at training...it generally works. I love playing with the girls and making new friends and I can't wait for next season. Go full Demon mode!!!!

Charlotte Wall

I really enjoy playing footy as it's lots of fun and everyone has been really supportive.

Clem Summers

What I love most about football is being part of a team and working together, also the friends I have made through football. Chelsea helps motivate us to keep on going even if we are losing the game. Chelsea is kind and funny and always makes me feel happy when I am playing the game.

Isabella Luttrell

I have loved playing footy this year because I'm in a great team and have made so many friends. I love having Chelsea as our coach again, as she teaches us so much each week. We have learnt so much this year. Go the Dees!!!

Lilly James

I've loved playing footy this year because the girls welcomed me from day one like no other, every single one of those girls have made me feel at home. I've loved Chels coaching me and I've thrived, she inspires me to be like her. Clare is such a supportive woman in my life. Football has become my safe place.

Ava McLeod

I found playing this year friendly, positive and encouraging. It was fun running out there and sharing the ball with my teammates.

Alice Stanford

I only started playing footy this year, I wasn't sure if I was going to like it but I enjoyed it so much! It was so much fun! Thanks for coaching us Chelsea and Robbie!!

Lucy Miller

I love the friendships I have made and how supportive the team has been in my first year playing. The girls always pump me up before a game and hold their heads high no matter the result. I am proud to be part of such a great team. Go Dees!

Ruby Clark

Footy has been really fun this year. Even though we aren't winning many games we are still trying our best and having fun. Thanks to Chels and Robbie for coaching us!

Francesca Johnstone

I enjoy football because it gives me something to do Sunday and I love meeting new people and becoming friends and I just think it is a very fun sport to do.

Bring on season 2023. Go Dees!

UNDER 14 BOYS

This year, the Under 14s started with a new look. Myself, Sam Chivers, taking over the coaching role, assisted by Colin Kelly, Ben Smith and Clay Woodberry. We also welcomed several new players into our team.

The preseason started early November with some great progress from the boys, focussing on fitness and skills.

The big focus for Season 2022 was to improve and develop as players and young men but more importantly, enjoy football as a Demon, creating lifelong mates along the way.

Early on, the group chose their Captain in Ethan Dunne, supported by a leadership group of Lachlan Chivers, Nathan Woodberry and Zak Carmichael.

It has been so rewarding as coaches to see the boys playing some competitive and exciting footy, really pushing the top teams and giving each team a run for their money. Focusing on consistency and stringing together four quarters of footy in 2023, we will start to see the results on the board.

Along the year we have had some milestone games reached:

100 Games	75 Games	50 Games	25 Games
Lachlan Chivers Blake Kelly Will Moles Charlie Smith Zak Carmichael	Ethan Dunne Ethan Mayne Ollie Barrett	Nathan Woodberry Ollie Howes	Jace Ling

We were also lucky to have six boys selected for the Blue and Red Development Series, with all boys performing well.

As the coach this year, I could not be more proud of this group of boys. They have all made such huge individual improvements, but also in coming together as a team. This wouldn't have been possible without the time and commitment from Colin, Ben and Clay, our Team Managers Angela Carmichael and Lisa Howes, First Aid Officer Dijon Barrett, and Dennis Pursell who consistently volunteered to be our goal umpire - thank you.

Thank you to all the parents for your support in ensuring the boys get to training and games and the biggest thank you to the boys, for such a positive and strong 2022 season.

COACH
Laura Negri

TEAM MANAGER
Laura Atkinson

Taking over the Under 15 girls mid season has been one of the most rewarding experiences I have had so far in my coaching career. I would like to thank Rocket for the hard work and dedication that he has put into the side over the past few years. I had big shoes to fill, although without a win on the board... my hostile takeover did see 2 wins straight!

There are 28 names on the Under 15 list, although not one of these girls are the same. They all bring something special to the group. Whether that be Izza's ability to hardly take a breath between her sentences, Sophie Harbacks gentle nature that doesn't coincide with her on ground persona, or Halle's telepathic connection with the goals. I see unlimited potential in this playing group.

Our extensive team list was a little overwhelming at first, but with the current battle with Covid, having 28 keen girls was a godsend. Having this many young girls coming up through the junior program is a total credit to the North Hobart Junior Football Club and the strong culture that they have created here. I feel so privileged to be a part of it.

The season was quite the whirlwind, but I am so proud of the effort that the girls have put in. Attendance at training has been phenomenal (when the bike track was open...). A huge highlight for me was seeing the girls who were rested or injured, still

coming along to support their teammates, now that's what footy is all about! There is some serious talent coming through this age group & I cannot wait to hopefully alongside them in a few years time!

I am very much looking forward to continuing to watch this fantastic bunch of girls continue to learn and grow both individually and as a group. They are all so special! My advice to this wonderful group of girls would be: stick together; the connections that you make now have the potential to last a lifetime.

Thank you to Laura, Jo McKay, Melissa/Kristy H, Anthony and Tim for your outstanding support as Team Managers, First Aid, Assistant and Runner (respectively).

A huge thank you to the Parent team... this season was a team effort and I can confidently say that game day and training could not happen without all of you supporting your wonderful daughters to play football.

GO DEES.

Michelle Gilligan

The loss of the 2021 Grand Final, and losing some key players in Taj Queen, Lachlan Symons and Archer Yaxley, saw us start the 2022 season early. We had a long pre-season that involved lots of running, which the boys all loved!

It has been an interesting year for the boys who have been required to help out and assist playing with the U16.5s and U18s teams. This has been great for our team and the boys' personal development. Previously it has been us that have needed to call upon players from teams to help field a side on game day. I am

proud to say that the boys have risen to the challenge throughout the year.

It was fantastic to see our boys' hard work being rewarded with over half our team being selected to play in the South vs South game as well as a selected few being asked to train with the Under 16 State boys.

Overall, our team as a whole have worked hard to get us in a position where we could play off for the 2022 Grand Final. Something that would be so deserved for all of the boys and a true reward for their hard work and effort throughout the season.

Once again, the year could not be possible without the help of the support staff that help us get onto the park every week. Thank you to my Assistant Coaches Luke Bricknell and Robbie Devine. A huge thank you to Josh Cunningham for your dedication to the team week in and week out as the team's First Aid Officer. Thank you to Todd Arnott, our Team Runner who is there every night for training and on game days. I honestly could not coach this team without his support, he is my right-hand man and the boys love having him around as do I. A special thanks to Scott McMurray our Fitness Coach for getting the boys' bodies ready each week, your knowledge in this area has been greatly appreciated along with the time you have put in throughout the season. Last but not least to Michelle Gilligan, our superstar Team Manager who undertakes a huge role throughout the season making sure everything runs smoothly from the start to the finish of the season. Without Michelle this group would not be where we are today. Thank you BB we truly appreciate all your hard work throughout the season, especially the lollies and jokes!

A big thank you to the parents for entrusting your boys to be a part of our team, and for getting them to and from training and games.

Here's to a great season and let's hope we can go one better than last year!

GO DEES!

UNDER 16.5 BOYS

The 2022 Season was a year full of growth and learning for this group. Many players got the opportunity to play in positions that they would not usually play in. I was given the opportunity to coach this group which I am very grateful for. The motivation for me was to further the connection between the seniors and juniors.

Our numbers were challenged at many times this year with many of our players testing themselves at a higher level in the Under 18s. The core group of 10-12 that trained and played every week are to be recognised for their commitment, along with the Under 15s that helped us out every week.

On field, we showed a lot of positives throughout the year. A couple of big losses in the middle part of the year put a dent in the confidence of some of the boys. We bounced back with a strong win against New Norfolk, a great team performance. We played some really good quarters and halves, however, couldn't quite string a full four quarter performance together this season. Our toughness and ball movement were two of our best assets this season. All players improved their skills and work ethic throughout the year.

I would like to take the opportunity to thank some people that have had a great impact on this group not just this year, but throughout their time as junior footballers. Kev Anders has a massive role within this group. To get a team up every week is a big ask and we have consistently managed to do so which is a big credit to Kev. Matthew Cracknell was my runner for the majority of games. 'Crackers' has had a great impact on this group over a few years and is to be commended for his work. Greg Sanford was the Team Manager for this season. Again, this is a very challenging role and I thank Greg for his commitment to the club this season.

The future of this club is in great hands. The introduction of the Academy provides a great pathway for this group to enter the seniors in the coming years. There is some great talent and character in this group and I am sure they will play many games for the North Hobart Football Club in the future.

UNDER 17.5 GIRLS

Once again North Hobart Junior Football Club entered a strong side in Division 1 of the U17.5 Girls' competition. We welcomed a number of new players to the club this season, all of whom fitted in beautifully; they are all good players and more importantly great people, and I really enjoyed the impact they made on our club. With our team including a number of Devils players and senior players, as well as

girls playing other sports at the highest level, it has been a difficult year to keep a team on the field, due to player unavailability. Nevertheless, as usual the girls still showed great enthusiasm and commitment throughout the year and had great fun playing together. The Under 15 team came to our rescue a number of times, topping up our numbers when required, and the top age girls were very grateful for that.

This year we based our game plan on a free-flowing style, given the players we had at our disposal – we were athletic, quick and loved to take the game on, so had a really exciting game style. This style served us well when our numbers were healthy but was difficult to implement when numbers were low; we did have to curtail our running a touch when playing on senior size grounds with only 13 players!

As usual we had an amazing bunch of girls. No matter their personal outlook on footy (from social to hoping to go to the next level), the girls were fun to be around, polite and respectful. Just an amazing bunch of humans.

Thanks to Nicole "Noodle" Smith for co-coaching, Ella "Shoey" Freeman for running, Laura "Loz" Negri for helping out with whatever I asked and of course Tash Bannerman for once again taking on the Team Manager role. Also, thanks to Anita Splann and Kim Monks for their work on the bench each week, and to all the parents who supported the girls through the year. I hope the top age girls keep playing footy with our seniors and that we see the bottom age girls in the junior program again next year.

Go Dees!

UNDER 18 BOYS

This season, the Under 18s were a relatively new group with only a few players returning from the previous season's side. The team has been made up mainly of players from last season's North Hobart Under 16.5 and 15 sides and we were also lucky to recruit players from both Sandy Bay and Lindisfarne Under 16.5 sides as these clubs do not have Under 18 sides. As a result, pre-season numbers were good, some boys started training back in November with the senior group once a week which was great preparation for our own pre-season.

The season itself has been an interesting one. The Under 18s competition is an incredibly even one, with all teams capable of beating each other. Our results have been a little mixed, but our best has shown to be competitive with any team.

While results have not always gone our way, the development opportunities the boys have received this season have been invaluable. Several players in our squad made their debuts with the Development League side and a couple even got a taste of senior footy. The boys have been given a great introduction to the senior program training with the senior squad Monday nights and completing a gym session in 'the pit' every week set by NHFC High Performance Manager, Sammy Yee.

There are many people to thank for their assistance with the side. The Under 18 Competition is made up of TSL sides only, including the northern sides, but is still part of the STJFL. From the Juniors I'd particularly like to thank Junior President Josh Harley-Hill, Nathan Foale and Michael Macey for their support and assistance both before and during the season.

It is the seniors, however, who predominantly ran the side. To Craig Martin, Paul and Luke Curtain, as the leaders of that club thank you very much for everything you do, nothing is ever too much to ask of you. You provide fantastic support to all sides the seniors run, the hours you devote into this club as volunteers are remarkable.

To the senior coaching staff, in particular Senior Coach Clinton French, Development League Coach Brad Tilbury and Sammy Yee, thanks for all the support you have given me and the education you have provided to the team this season.

Massive thanks must go to my support staff, Assistant Coaches Kevin Anders and Andrew Moore. I really appreciate the time and effort you gave to support me and more importantly assist the boys with their football journey. Match Managers Nat Lo and Nathan Cowburn as well as Susan and Nick McLeod, who helped with this role early in the season; runner Scott Hills, trainer John Gibb, as well as senior trainers Emily Mifsud and Lachie Chandler, no team can get on the field each week without the dedication of all these people.

To the boys, I'd like to thank you for your efforts dating all the way back to pre-season. I hope you have enjoyed the season and continue to play many seasons for the red and the blue.

Lastly, we had three boys play their 150th game for North Hobart Juniors this season, well done on this fine achievement to Harry Van Kraanen, Cayden Bosworth and Angus Cracknell.
