President's Report

2013 sees my fourth year as President of the NHJFC, I will start this page with one of my favourite volunteering quotes;

I am only one, but I am one. I cannot do everything, but I can do something. And I will not let what I cannot do interfere with what I can do. ~Edward Everett Hale

At the NHJFC every year is literally bigger than the last and 2013 brought a record number of players (in excess of 400, from Auskick to Under 18). We currently field 19 sides across 9 age groups, we train and play over 5 grounds, its mind boggling when you talk about it let alone put it in writing.

To manage these kind of numbers takes an incredible amount of commitment by a large number of dedicated personnel.

Hence, it constantly amazes me how a committee of just 8 can professionally and more than competently manage this task.

The physical aspects of this work load is difficult enough, but in 2013 the emotional and mental toll on our group has been difficult to manage. In saying that, the camaraderie, commitment to the task at hand and the ability to have some extremely tough discussion and come out smiling has made the season bearable.

Again, I will highlight the many jobs of our group and recognise their extraordinary dedication to the families of our club.

Tim Lockett: Vice President, Confidant, STJFL Delegate, Substitute team manager, Cook, mentor

Jim Ransom: Life Member, Secretary, Coaching Coordinator, STJFL Delegate, Assistant Coach, Confidant, mentor, Quiz Night Coordinator, Lecturer

Michael Bomford: Life Member, Registrar, Treasurer, Website Coordinator

Karen Cassidy: Committee member, Jumper Steward, Quiz Night Coordinator, Merchandise help, Fundraising help

John Gibb: Life Member, Committee member, junior liaison NHFC, Canteen Coordinator NTO, Property Steward, Trainer

Kevin Anders: Committee member, Coach, Youth Coaching Coordinator

Amanda Bosworth: Committee member, Merchandise coordinator, fundraising help

Again, I am in awe of the selfless dedication by the volunteers of our great club.

Our coaches; Scott Coppleman, Ben Vankraanen, Matt Ferguson, Heath Wood, Paul Payne, Geoff Barrett, Nathan Cowburn, Rick Loring, Anthony Bosworth, Todd Ferguson (junior coaching coordinator), Jamie Roach, Warren Walker, Raymond Becker, Steffan Waight, Gray Coleman, Kevin Anders, Todd Curtain, Robin Jones, Adam Doran and Rick McCulloch are fantastic ambassadors of our club and our game and our children are so very fortunate to have them as their teachers, mentors and role models.

Our support staff; Melissa Knapp, Todd Arnott, Suzi Pritchard, Rebecca Payne, Kylee McCausland, Malcom McCausland, Tim Males, Natalie Loh, Kevin Williams, Tim Philpott, Elaine Philpott, Kate Vincent, Tracey Smith, Susan Vince, Mark Waddington, Stuart French, Robbie Manson, Lynette Lapham, David Doyle, Michael Suhr, Brendan Loveless, Jonathon Rogers, Sue Fros, Ally Nicholson, Jim Ransom, Tim Norton, Sophie French, Michael Cowie, Janette Jones, Jan Sweet, Mark Duncan, Travis Smith, Kerry Nicolle, Kim Roberts, Jamie Preshaw, Shane Thompson, Tim Lockett, David Doyle, Ange Gravina, James O'Connor, Mario Pangrazzi and many, many more are great assets to our club and we couldn't function without their help, phenomenal organisational skills and good humour.

A huge thank you to Suzanne and Warren Walker for taking on the added duties of coordinating the JTO kiosk, this a major source of income for the club and provides a great service to our football community.

For the many parents, grandparents, carers & families who give and give every single week,

Thank You!!

**Julie Doran
President**

In Memory

In Loving Memory of our friend & former NHJFC player Callum Jones

With the permission & blessing of Callum's dad Buster the NHJFC have been working with the Make A Wish Foundation to raise some much needed funds.

During the month of July & August 2013, the Make A Wish Foundation have been present at NTO collecting donations for their amazing charity.

Callum was the recipient of "A Wish" during his inspirational battle with cancer. Callum had the opportunity to visit the USA as a result of the great work done by this sensational charity.

In appreciation for all the support & joy Make A Wish provided Callum & his family, the NHJFC are committed to continue its support far & beyond 2013, so that others might experience a similar opportunity.

Life Members

What happens when great volunteers become exceptional volunteers?; they become Life Members!

In 2012, we granted life membership to 3 of our most generous, influential and hardworking volunteers.

Jim Ransom, Tracey Cowie and Rick McCulloch are to be commended for their amazing contributions to our club and our community. Our deepest gratitude and congratulations to them on reaching this elite milestone.

Tracey Cowie

Under 8 Blue

2013...
Well let's begin by saying 'what a year it has been' for under 8's Blue.

This year saw a lot of us begin new things, kids who hadn't touched a footy before let alone kick one, kids coming up from Auskick to begin their first season of footy, kids with last year's experience behind them stepping up to give guidance to our new kids. And a start of a new era of coaching for myself. Our team consisted of both boys and girls, who have put in enormous efforts to have made for a great year of footy.

Football has meant so much more than our hour every cold Sunday (if it wasn't cancelled), it has seen us all learn new things both on ground and off, from kicking a footy, to hand balling under pressure, and most importantly how to play and work as a team.. We have been lucky enough to witness every member of our team make new friends along the way too.

Our team was lucky enough to consist of: Zachary, Axel, Jacob, Declan, Oliver, Reuben, Matilda, Isabelle, Harrison, Liam, Charlie, Riley, Jesse and Harry. Our kids would like to say in the spirit of the team, "GO DEE'S"...

I hope you all walk away with your heads held high, I know I will, I'm proud of each and every one of your achievements.

To all our supporters; parents, grandparents, brothers and sisters we would like to thank each and everyone for your support both on ground and off. We wouldn't have been able to do everything without you all. Nor would we have our kick ass training tops, which everybody fundraised so hard for. To our mums, nans and sisters thanks for your help with the kiosk, to our dads, pops and brothers thanks for your help with training and umpiring.

On behalf of the team I would like to thank: Mark, for your help in umpiring; Robert, for helping with training. And a big thanks to Brad for your help at training and for also helping me out as stand in coach whilst I was umpiring. Thanks Jules for giving me the opportunity to be the coach of under 8 Blue and for all your help throughout the year.

Last but not least thanks Bec for being our team manager.

On a final note: North Hobart under 8 Blue are the Best!!!

Cheers
Woody

Under 8 Demons

What a fantastic season 2013 has been for the u/8s Demons. A relatively new group I've had this year, with a couple boys too old to play and couple playing in the other u/8 side.

From the time we first started training by ourselves to now the boys have come a long way, this group of boys listen to instruction and are really keen to try new things. It's very exciting to see these boys all become really good mates and want to play as a team.

The best thing I've noticed over the season is how much these boys help each other out, and try and get everybody in the game.

It's a pleasure to be coach of these very talented and well behaved boys. I'd like to thank all parents that have helped on game day and training, Toddy for filling in while i couldn't be at a couple games, and Mel for being team manager again.

I'd especially like to say thank you to the follow boys and look forward to coaching you guys again next year GO THE DEMONS!!

Under 8 Red

Under 8 Red consisted of 13 players all who were playing their first year of football for the club. They all came with different level of skill and development but the one common theme was a great enthusiasm for both training and games. This enthusiasm can be demonstrated by many of the boys having to be dragged away from training each Wednesday night by their parents as they wanted to continue to have a kick as darkness set in.

Due to this enthusiasm and keenness to learn all the boys improved greatly as the season progressed and the team had great results throughout the season.

Below is a brief profile of each player;

William Ashby

One of the best marks in the side and worked hard all season to improve his kicking which allowed him to be a consistent goal kicker most weeks.

Will said his favourite part of playing football is marking the ball.

Jewd Careless

Really improved his marking as the season progressed and is excellent at sharing the ball when a teammate is in a better position.

Jewd said he enjoys training the most where he can practice his kicking and other skills.

Angus Cracknell

Only small but fast and has great skills. Always has a smile on his face which makes him great to coach.

Angus said the best part about football is running and kicking goals.

Riley Ferguson

Another player with good skills either kicking with his left foot or marking. He is very good at either scoring goals or setting them up for teammates.

Riley said he likes kicking goals or handballing to someone else so they can kick a goal.

Cooper Gillam

One of the youngest players in the team but definitely improved throughout the season and he too was excellent at sharing the ball with a teammate in a better position.

Cooper said he likes running and kicking the ball.

Khyle Jones

Only joined the team in the later part of the season but improved with each game he played.

Khyle said running and marking is the best part about playing football.

Blake Hooker

Only small as well but really grew in confidence as the season progressed and showed good goal kicking skills.

Blake said he likes football because it is about having fun.

Luke Moore

Excellent mark of the ball and kicking got better and better during the season. Also good around the goals.

Luke said he likes running with the ball and kicking goals.

Jack Pritchard

Good all-round player who was always able to get plenty of kicks by either marking or running on the ball when it was on the ground.

Jack said the best part of playing football is kicking goals.

Oscar Pritchard

Very talented and determined player with good skills who always won plenty of kicks and looked to pass off to a teammate.

Oscar said he loved running and getting the ball.

Hugh Sansom

Good skills and loved kicking goals and even more loved celebrating his goals. Good passer of the ball as well though.

Hugh said that his favourite thing about football this year was having a go with my friends.

Sam Vinen

Very good skills and one of the best kicks and marks in the side who always listened and asked ways that he could improve.

Sam said he just loves playing the game and also marking.

Michael Wild

Big improver who tried hard every week. Very keen and was great to see his skills improve with each game and training session.

Michael said he likes playing on the forward line and kicking goals.

Lastly on behalf of myself I would like to thank all the parents for their commitment in getting the boys to training and the games and also a big thanks to our match manager, Suzi Pritchard for all her work and organisational skills throughout the season.

Under 9 Blue

2013 saw the return of most of our past season players, we also welcomed first year players – Jack Robertson, Keenan Kemp, Jacob Tarvydas, Jackson French & Liam Harris. The boys bonded instantly. Dave and I wasted no time putting them through their paces with training & running drills that would rival AFL selection.

It has been a great season for NH Blue. We have been fortunate to have a great bunch of boys who have represented their club and themselves with the highest integrity. Their skills, attitudes and commitment throughout the season have been outstanding.

The highlight for 2013 was a visit from the Duff TV crew. In a convincing win each of the boys got to showcase their skills and sing the club song on the big screen. It will be a great memento for all of us when these boys go on to bigger and better things.

Thank you to our NH Blue family, we could not have done it without you especially the parents who put their hands up week after week whether it was collecting footballs, canteen duties, waving flags or babysitting. You made our lives a whole lot easier! It has also been great to see Grandparents at the games, we are lucky to have Grandfathers who donned the red and blue in their day. Special thanks to our good friend and “Stats Man” Keith. Our utmost thanks go to Assistant Coach Dave Allen who fortunately for me (perhaps unfortunately for the kids!) shared my competitive nature. Thank you Dave you have been extremely easy to get along with this season and have made my role as coach a lot easier. It has been refreshing to deal with someone with similar expectations of discipline and commitment! Special thanks go to Nat for organising all the details, I got the easy job of turning up each week, without her we would not have played a game!

Congratulations to Jules and the NH Team for making the club what it is. Nat and I are proud to be a small part of it and look forward to 2014.

Under 9 Demons

“Another Season Down”. Some 20 weeks ago training began. A great gala day at Lindisfarne to start the season and away we went. With a team of 14 boys the U9 Demons evolved. With a mixture of boys, most quiet and not saying too much but by season’s end all screaming what position they’d like to play, where and when. With the assistance of Scott Barrett, Tim Males and Gary Hawkins we managed to get the boys playing as a team and looking for each other.

The boys should be very proud of their growth this season. Their last game against Glenorchy was the best game of U9 football I have watched. I look forward to seeing all the boys next season and thank you all for your commitment and laughs during the year.

Well done “Demons”.

Under 9 Red

Wow, what a year. The improvement from last year to this year has been staggering. An absolute pleasure to coach. Its always pleasing to see kids develop their skills, but even more pleasing to wach them grow into fine young men.

A big thanks to Pete and Tim for stepping in for me when i was unavailable.

Thanks to our fantastic parents and carers who help out on game day.

And a huge thanks to Kylee and malcom for being the team managers.

Under 9 Red is a great team to be a part of and i look forward to see what the future holds for the boys!!!!

- MAGNUS – Mr reliable, keen, always listens, skills are improving rapidly.
- FRASER – Mr Natural, excellent kicking skills, loves a goal.
- BEN – Improving every game, great skills, joy to coach, excellent at training.
- ZAC P – Reads the play brilliantly, great mover, a natural.
- ZAC A – courageous, keen, knows how to celebrate a goal.
- MAX – The ultimate team player, just wants to learn and play. Always smiling.
- ETHAN – Determined, big improver, always listens, excellent at training.
- WILL – Mr Natural, great skills, big future.
- JORDY – Team player, great skills, huge improvement, exceptional manners.
- HARRY – Hard as nails, keen, improving skills, loves a goal, determined.

- BILL – Mr Natural, great skills either side of body, born leader, loves a chat.
- JOSH – Determined, keen, listens to instructions, never gives up, skills improving.
- JACOB – Natural big marking forward, loves a goal, team player.
- TYLER – Great skills, reads play well, big improver.

Under 10 Blue

This year my team had 2 new boys come into the side and the way they fitted in was a credit to both themselves and to all their team mates who made them feel welcome. It didn't take long for the boys to all become friends and start playing team football, which was fantastic to see.

The boys had many differing skill sets at the start of the year, but by the end of the season improvement could be seen in every player, the main thing we all noticed was the confidence levels across the team starting to develop. As a team we need to continue working on our general skills particularly Kicking and bouncing, however I know the boys want to improve and as long as that is the case I am sure they will.

At training this season we regularly trained with the other U10 teams, this meant that the boys had an opportunity to get to know a lot of the other boys who one day in the near future will probably end up being their team mates, and gave us the coaches an opportunity to implement bigger and better training drills to improve each players skill set. Obviously in larger groups it is harder to have all kids concentrating at the onetime, however the longer the season went the more switched on the boys became, as the training became more challenging and the speed of the drills increased. Our boys were very good at training most of the time and the their skill set was certainly at an acceptable level.

Nearly every player took a turn of captaining the team, captaining was primarily earned by good training standards and team work on game days, I am proud to say that all boys earned their opportunity to captain. The most enjoyable aspect of being captain was standing in the middle and starting the team song off, it was amazing how quickly the new boys learnt the song and sung it with gusto! The boys should feel pleased with what they achieved.

This season I had a lot of helpers which was appreciated immensely. Tim Philpott again was the assistant coach and without his help at training and on game days I don't know what I would have done, Thank you very much Tim. To Tim's wife Elaine our team manager, thank you so much for your work behind the scenes with the constant emails and communication that is needed to keep everyone informed on what was happening and when, your help too was very much appreciated. To Cameron Brown and Mic Shiels for offering to Umpire when you could, I say thank you, and to each of the parents that took turns at goal umpiring and undertaking of other duties your help doesn't go unnoticed, the support of the whole parent group was amazing, that includes both my wife and Cayden for helping us out when players were injured.

I hope we can keep all the boys together moving forward, I look forward to seeing their development.

In 2013 it was good to see all the boys back for another year of footy. With the inclusion of a few new players, (first time players and from other clubs) we ended up with 18 players. We started to train as a group with the other teams, after a slow start and a bit of running to blow the cobwebs out. It was clear that their skills were improving. It was even more evident that they were improving once we started to play games. We could see that the boys were starting to understand the game more, becoming more aware of teamwork and they were producing passages of play that were beyond their years. Well done to all the boys on their efforts in 2013 and I will see you all next year. Big thanks to Kevin Williams for doing the Team Managers role, and to all the dads

and mums for helping out during the year. A special thank you to our President Jules Doran and the NHJFC for your invaluable assistance throughout the year. The bump bags were a great hit!!!

Thanks

Under 10 Red

ANOTHER GREAT SEASON FOR UNDER 10 RED

The boys welcomed 3 additional players to the side this year.

Issac and Oscar who were both new to NHJFC and the return of Fletcher to the side, resulted in U10 Red increasing to 17 players.

As a group the boys continued their commitment to play exceptional football every Sunday.

Each player's contribution and sportsmanship made the side incredibly strong.

The boys' ability and willingness to play various positions meant all players improved and enjoyed all aspects of the game.

Thank you to all the parents, carers, grandparents and siblings who support the boys with enthusiasm from the sidelines and continue to help out with all the various volunteer roles needed.

All this combined has made yet again for another memorable season of footy!

NHJFC Contribution to Tasmanian Bush Fire Appeal

St Vincent de Paul

On the 23rd & 24th of January in response to requests from St Vincent de Paul for assistance with loading & unloading of donated goods, the NHJFC sent a contingent of young players & their families to the Elwick Showgrounds.

Two teams of approximately 15 of our players & their families worked tirelessly for many hours for 2 days; sorting, cleaning, stacking, boxing, loading & unloading the mountains of donated clothing and furniture.

Their dedication to the task at hand was incredible & they did it with a smile on their faces. The organisers were extremely grateful for their assistance & were super impressed by their willingness to sacrifice their time. The ages of our volunteers were 9 years & up & the NHJFC were 1 of only 2 junior footy clubs to respond to the call for help!

The group although exhausted & in desperate need of a shower left knowing they had made an all important contribution to our bush fire victims & indeed the greater community

Geelong/NHFC/NHJFC Footy Clinic

Tasmanian players from the AFL Football Club Geelong in conjunction with the NHFC organised a fundraising football clinic to benefit the Tasmanian bush fire victims.

The Youth of the NHJFC stood side by side with the players of the calibre of Joel Selwood, Tom Hawkins & Nathan Vardy & senior players of the NHFC to deliver an afternoon of fun, laughs & lots of football skills & thrills.

They proudly wore the red & blue & worked extremely hard to ensure the multitude of junior footballs had a ball! & helped to raise some very valuable funds for the families of the Tasman Peninsula

Labor

Ryan from our Under 16's team was part of the team that rode from Dunnalley to Triabunna to raise funds to assist the Dunally school to rebuild after the fires

The NHJFC in 2013, continues to support the incredible work of the following three charities.

Our connection with these "Not for Profit" organisations is based on a utmost respect for the work they undertake and the outcomes they achieve.

Ronald McDonald House

After more than a decade of fundraising and support for the house, 2013 saw the unthinkable happen!, adverse weather conditions saw the Hobart City Council close the NHO on the eve of our annual fundraising Gala Day.

To say we were disappointed is an understatement, devastated would be the word to use!

Rest assured that in 2014, the NHJFC will again support Ronald McDonald House in some way shape or form.

Thanks to Penny, Lisa, Lisa & the team for their patience and of course their unwavering belief in "kids supporting kids" and the NHJFC

Bethlehem House

We are still making late night runs to Bethlehem House with leftover goodies from our canteens & club functions. Although this may seem a small contribution, the smiles on the faces of the residents at Bethlehem House makes us feel like its much bigger than that. Thanks John Gibb for all your running around

Whitelion

In all ways, all of our coaches & support staff are contributing to the philosophies of Whitelion. Mentoring, positive role modelling and unconditional support for our youth are the essence of our club. While the NHJFC do not support Whitelion in a financial sense we fully support their mission statement in actions and deeds. Thanks to Dan Keegan for his facilitation of our relationship and for providing many of our current players and Coaches with the opportunity to access Whitelion's resources.

Under 11 Demons

2013 saw the amalgamation of three teams from U10 to two sides for the U11-36 players, The inclusions into the Demons for 2013 saw the Collins twins Sam And Will provided needed height and grunt around the ground, with Tadhg Waddington adding run and stamina and Adam Moutwari has great hand around the contest, Toby Butler provided the outside run we needed and Joshua Dawes added spark and speed in and around the contest. All these boys combined with the existing group to make us a better team in 2013

We had a very successful year with a 9 win 3 loses and a draw record for the season, this year we continued the rotation of the players on the ground but increased the time in each zone from a quarter to one half for each game, as the player continued to grow, some faster then others that provided a challenge for each player as their body changed shape.

We introduced more of a game plan for each zone of the ground to allow some predictability to our style of play, the players who benefited the most were those who listened at training and implemented the plan on game day with great success. Some of the main areas we worked on were, The TAP zone in the ruck, Front and centre at marking Contests, Change of Direction from the back line, Back line huddle from Kick ins.

I would like acknowledge the great support of Team Manager Susan Vince who does a power of work each week, organising me and the players ,Umpires - Mark Waddington and Stuart French for taking on a very difficult but important responsibility each week, the goal umpires, runners , and canteen helpers that make up a great team off the field , Thankyou all for making my job easier each week knowing I have parents happy to support their children in playing a team sport.

I look forward to 2014 and the challenges that await a great group of Boys.

Toby Butler #03- Great outside running player, reliable right foot kick
Sebastian Cock #36- Ferocious competitor 100% reliable, hates to be beaten, Trendiest hair style or 2013

Sam Collins #43- Aggressive, great vertical overhead mark, fast feet and silent assassin

William Collins #37 - Greek God reads the play, Great lead up and mark player

Samuel Cosgrove #19 - beautiful left foot reads the play well, damaging mid- fielder

Joshua Dawes #23- Terrior with feet, very good in and under player, hungry for the ball

Joel French #29- Always thinking about the game, Number 1 shepherded and handballer

Samuel French #01- Very Determined to improve, Loves the hard contest, spent a lot of time on the turf. May need to increase doctor and Physio cover for 2014.

Max Hoyle #27 - Plays an unpredictable style of play, loves the goals

Blaze Ison #22 - working hard to the contest and loves to tackle, massive increase in possessions

Luke Kreune #24 - Son of Legend, Beautiful over head leading mark and reliable kick

Adam Moutwari #20- dynamite hands, sets up many forward thrusts with his hands

Jayden Roberts #12- Kicking distance improved, loves the rotating snap goal over the left shoulder

Jayden Vince #39- Solid overhead mark with a long penetrating kick, great reader of the game, 2013 longest kick 38.5m

Tadhg Waddington #08 - Running half back, loves to bounce and run.

Patrick Walker #11- Strong on his feet, well balanced silky skills, great kick on the run

Harrison Winch #41 - Multi talented sportsman, a

thinking footballer, reliable mark a kick

Ben Wise #28 - Solid back man, focused beautiful

hand ball and kick on the run

Under 11 Red

This year was fantastic; it was nearly the perfect season, only having one loss for the season. The boys have trained hard since March doing plenty of running and ball drills which payed off with some really big wins earlier in the season. It is great to see this winning culture prevailing week after week. It was very rewarding seeing the boys improving their skills and using their none preferred sides within the game. We had a couple of unofficial captains within the side this year who lead the song after each game and started a new tradition of drenching the game day captain while singing the song as loud as they could. This year it was great to see so many parents help with special mention to Tracey for being team manager, Chop for umpiring, Kezz and Paul for sharing the running duties and Buzz the goal umpire.

Here is our fantastic group of boys:

- Adam Baines - Gizmo, very reliable, great mark, our full back
- Alex Browning - Talented wingman or small forward
- Angus Norton - Gus, fearless small, ball magnet
- Beaumont Read - Loves a contest, has potential
- Brandon Kopper - Is a goal sneak, good marking small
- Caleb Lownds - Promising forward
- Connor Smith - Reads the play like no other
- Deegan Nichols - Key position player, terrific hands
- Jacques Barwick - Leading goal kicker, best trainer
- Lachlan Payne - Mr. Reliable, can play any where
- Liam Fraser - Ever improving big man
- Liam Roach - Biggest tank, runs hard every game
- Lucas Kirwan - Small forward, tries hard
- Lucas Wigston - Ruck man, loves a challenge
- Max Gmelig - Can play anywhere, attentive listener
- Ronan Gilliam - Electric speed, looks great on the run
- Thomas Whitton - Fast very balanced left footer
- Yamato O'Keeffe - skilful natural defender and barracks for the best side

Back row (L-R) Liam Fraser, Lachlan Payne, Lucas Wigston, Deegan Nichols, Ronan Gillam, Jacques Barwick
 Middle row (L-R) Thomas Whitton, Max Gmelig, Liam Roach, Connor Smith, Adam Baines, Caleb Lownds
 Front row (L-R) Alex Browning, Brandon Kopper, Angus Norton, Beaumont Read, Lucas Kirwan, Yamato O'Keeffe

Under 12 Blue

The Under 12 Blue team had another great season from start to finish. Playing great team orientated football week in & week out.

The feature of our team was our team work with the way we move the ball. The players learnt how to give the first option out to a player in a better position.

It's been a pleasure watching these boys improve so much throughout the year with a lot of team highlights.

- Boys playing in the pouring rain against Claremont.
- Fin leading the association goal kicking in U12's.
- Playing a night game at New Town Bike Track.
- Blake, Mitchell & Noah making the rep side.
-

Many thanks to:

Team Manager LynetteLapham, who makes my life easier.

James O'Neil for his time & effort umpiring.

Blair Brownless for being our runner.

And to all the parents who have helped throughout the year.

Looking forward to the 2014 season.

Under 12 Reds

BRG
 Boris · Robbie · Gowans
Supporting North Hobart Junior Football Club

North Hobart Red has had another exceptional season in 2013. This year we welcomed two new players to our ranks, Josh Clifford and Alex Fracalossi, who along with the rest of the boys have made an outstanding contribution to the team. As the season progressed, so did the boys eagerness to learn, improve and take on more complex aspects of the game. The enthusiasm and hard work put in by each player in games and at training has been fantastic and along with the dedication and commitment has made it a great year for both Rob and myself. I would like to thank Rob for all his hard work organising the team as well as Phil, Paul and Ian for their assistance on game day and parents and friends for supporting the boys throughout the season. I would also like to thank Stef and the boys from North Hobart Blue for filling in and helping us out when numbers were low. The boys have had a wonderful 4 years in the junior ranks at North Hobart and we look forward to seeing them make the transition into the youth league.

Under 13 Blue

It has been a big year for the boys with the development of their school and football. Stepping up into the youth league and playing for points and finals, plus playing under full AFL rules for the first time. There has been some great games against the other teams and the boys played a team brand of football with all players contributing during games, which created a balance across the whole ground.

We had 16 players out of 20 returning from 2012 and picked up another 8 to have a squad of 24 for the year. 6 new players and a couple of familiar faces returning back to the club.

Returning Players from 2012

|----------------------|-------------------------|

I would like to acknowledge the great work and support both at training and on game day from Dave Doyle and Michael Suhr (Assistant Coaches) Shane Joyce (Runner) plus Heath Wood and Darren Roberts. In addition I would like to thank parents and families for their assistance during the year. A special mention and thanks must go to President Julian Doran plus Team Manager and Trainer for all the support she gave the under 13 teams. Also to big thank you to Kev Anders for his time and for running training and Sue Fros the under 13 Red Team. We were able to raise money through selling of margins tickets to be able to provide each boy with training tops for both under 13 teams. So thanks to everyone who help out with this fundraiser. Thanks to all the boys for the year and I look forward to seeing the boys moving ahead with their football in 2014. Good Luck in the finals.

Under 13 Red

In 2013 the boys took another step in the development of their game. This year making the jump from junior to youth football, we had a season full of ups and downs. The boys have shown promising signs of improvement and had some great wins, where their skills and teamwork were on display.

I would like to thank Brendon and Jono for their help at training and on game day and Ally for doing first aid, along with all the parents for their help in various roles. A special thanks to Sue for all of the work you did this season in making the games and training run to schedule and making my job a little easier.

Here are some snippets of the boys season:

Zach Coleman: played some exciting footy across halfback. Congratulations on being selected in the development series. Unfortunately missing it due to injury.

Jack Wolf: Returned to the Red this year with his usual determination to attack all contests.

Zach Berry: Had a good year playing forward and showed some great signs and improvement in the ruck. **Thomas Palfreyman:** Strong in the back line early in the season and was solid in the ruck when asked.

Harry Loveless: A consistent year, providing some great run from the middle and from half back. **Nic Baker:** A solid performer in the ruck and gave us some dash coming out of halfback.

Jesse Nicholson: Played a very good team game, helping out teammates and contributing across all parts of the ground. **Lochie Bromfield:** A welcome addition to our team this year and was fearless coming out of the back line. Missed his presence in the second half of the year, unfortunately succumbing to a knee injury.

George Tarbath: Showed improvement throughout his first year of footy. I commend him for his willingness to listen and learn the game and his commitment to training.

Harry Foster: A consistent year for Harry, showing his usual fight, in and around the packs. I congratulate him for making the development series this year.

Duncan Gamble: Had a good year playing in the ruck and forward showing promising signs of skills improvement. I congratulate his selection for the development series.

Angus Rogers: Showed great determination in the way he played this year and was a solid contributor running off the wing. I must congratulate him for making the development series this year.

Josh Butler: A consistent performer in and around the packs, showed great fight and willingness to always be in the contest. Played the team game.

Matteo Paolini: A handy addition to our side this year, with some good skills and competitiveness in all contests.

Fletcher Keeling: Another handy addition to our side, played some consistent footy in a variety of positions.

Bailey Nelson: Unlucky year for Bailey this year, with some unfortunate injuries. But when fit, had some very good performances. Showing some great run from all parts of the ground.

Jack Anders: A consistent performer this year and was very handy with some run, coming out of half back and kicking goals when needed.

Cody Fros: Cody showed continual improvement in the way he played this year and enjoyed playing in the back half.

Nic Browning: Played well in the back line showing great skill in his marking and kicking. **Tarquinn Strain:** An improving year for Tarquinn. Was very good in the way he attacked the ball, tackled and used his evasive skills. Good team player.

Caleb Lucas: Showed commitment and improvement in the way he played. Performed well in the forward line.

Bailey Walker: An outstanding year from Bailey. A great reader of the play, put himself in all positions of the ground and put his body on the line for his teammates. Named captain of the team this year.

Thank you for your support of North Hobart Junior Football Club this year.

Under 14s

This group of young men that represent the NHJFC are to be applauded on the way they play the game and the way they carry themselves win, lose or draw.

Our season has been a little hit and miss with our best football being as good as any team in the competition however when we played as individuals and turned up to games in the wrong mind set we struggled.

At this age group our boys are going through some massive changes in their lives ,with school and added responsibilities it would be easy for them to give training a miss and let their football drop away.This group not only trained twice a week they became a close group of friends off the field, I really hope that this continues through to senior football.

Last years captain and under 13 best and fairest winner Chris Ransom handed over the reigns to this years captain Sam Fros , who along with vice captain Declan Waddington lead the side extremely well.

Congratulations to Chris Ransom, Baxter Norton , Seb Godfrey and Keren Howlett who played for the south in the under 14 representative side and to the boys that were asked to train and try out for the blue/ gold series.

The pleasing aspect of this year has been the steady improvement across the team from individual players. I would like to thank the parents who were patient with us as we tried their sons in various positions and used them in team set ups that they may not of been used to.(parents - please feed the boys up over summer we need a few growth spurts)

I would also like to thank our match day team of Jim Ransom, Kim Norton, Tim Bower, Sophie French and Michael Cowie . Also to all the parents that fulfilled roles on our parent roster.

Lastly a massive thank you to the boys, you are pleasure to coach.

Todd Curtain.

Back Row: Todd Curtain (Coach) Ben Brownless, Jordan Kirkwood, Sebastian Godfrey, Chris Ransom
 Owen Arrowsmith, Adam Steven, Alex Kossmann, Jim Ransom (Assistant Coach)
 Middle Row: Keren Howlett, Declan Waddington, Luke Williams, Ryan Cowie, Baxter Norton
 Austin Keeling, Sam Fros, Callum Woodward

Front Row: Jake Barrett, Josh French, Jimmy Bower, Ryan Bosworth, James Moore, Sam Caswell, Damon Curtain

Under 16s

This year saw the competition change in format and the under 15 competition as previously known was scrapped and replaced by an under 16 model.

Pre -season kicked off in December and in some pretty warm weather at times, the group forged into a hard working unit.

Luke Clark was a welcome addition to the group from last year after playing previously with the under 15's and Alex Hirst re-joined the club from Brighton, along with Ethan Goss and Narad Koirala.

Duel captains of the group were appointed in Ryan Sweet and Daniel Claridge with vice captains Hamish Duncan & Jesse Maple for 2013.

As part of the leadership group Jonty Barwick and Alex Beswick were given roles in this area.

After a slow start to the year the group put 4 wins in a row together from round 6 including a most memorable come from behind win against New Norfolk at Boyer, again showing the real grit and determination of a group who often encountered much bigger and stronger opponents over the course of the season.

At the time of writing we sit 3rd on the ladder and are looking forward to participating in a final series which will be real credit to the boys.

At times against the odds Jesse has rucked tirelessly and given his all along with our smaller brigade of Eddie Cole, Campbell Dickens & Marcus Rickards and Daniel Claridge who have been outstanding. Ryan Sweet & Jesse Maple represented the club extremely well in the North v South clash recently with both being amongst the best players in the South's loss.

Ball movement has been on the improve throughout the year and we look forward to the challenges ahead for the rest of the season.

I'd like to thank Mark Duncan who has been my assistant coach and approaches the role with great vigour and Travis Smith our team runner for the whole year for their exceptional efforts on game day and at training where both are a massive help.

Also to our 2 Team Managers Janette Jones and Jan Sweet for their tireless work on game days, before, during and after the game. Thank you both.

Kerry Nicolle has been our trainer each week, and I'd like to thank Kerry for his efforts through the year. Kim Roberts has been an interchange steward and has helped out throughout the year and Tom Roberts has been goal umpire for the greater part of the season.

John Richmond has also assisted in many areas through the year along with Steve Sweet when available, Steve Macgregor, Lisa Goss & Aaron Barwick.

To the parents who have provided lollies for the boys, thank you as well from them and the coaches.
To the boys...well done and I wish all of you every success in the future, no matter what you do.

Thanks to the North Hobart Football Club for giving me an opportunity to continue to pursue something I genuinely have a passion for and I have been honoured to have coached this outstanding group of young men.

**Robin Jones
Coach**

Back row: Mark Duncan (Asst Coach) Alex Hirst, Alex Beswick, Jack Nicolle, Ryan Sweet, Jesse Maple, Matt Sweeney

Under 18s

The 2013 season for the North Hobart Under 18s began pre-season with one team which quickly grew into one big team which eventually became two. North Hobart Red and North Hobart Blue which trained together as one big team competing as two sides on the weekend.

This was a first at this age group for the club, players and coaches alike and presented a great number of challenges along the way and required a united approach from everyone involved.

From a coaching perspective the main goal was to provide all 45 young men with enough individual coaching to benefit their own playing futures whilst fitting into a team environment that demanded more of them than ever before in terms of testing their patience and resilience. This task at times seemed rather daunting but it was essential for us to focus on the needs of the players and make sure they finish the season a better player and person and keen to play on again next year.

We were very fortunate this year with the group of players we had and despite all the possible issues that could come with the situation, the boys rose to the occasion and have supported each other on and off the field. A great achievement as the player group crosses 4 age groups from 15 to 18 year olds. It has not been an easy process for them and there have been times of frustration but they have worked their way through it and will finish the season as very strong young men.

Despite not playing with the same team and teammate's week in and week out they have bonded extremely well over the course of the year and have established friendships across the age groups. This speaks volumes of the strength of leadership and character within the group and will hold them in good stead in future endeavours.

Many people said that it would be impossible to achieve a one team philosophy with a two side system but we have witnessed the boys continually prove that they believe in each other and will support each other unconditionally. Whether it was through doubling up to help out the other team, being runner, water boy, transporting each other, they did this every week and enjoyed doing it. They have formed a great bond over the course of the year and that will remain unbroken.

There is a wealth of talent in this age group at the club and it will continue to be strong for years to come. This group whilst supporting each other also helped maintain numbers in the NHFC Colts team on a weekly basis which on occasion had up to 12 under 18s playing whilst still playing two under 18 games for NHJFC on the same weekend. As coaches we have found this year challenging and at times very difficult but the resilience of the boys gave us great resolve to push on and keep working hard to ensure we helped them during this phase of their lives. They have developed and grown both on and off the field and have displayed tremendous strength of character and we are extremely proud of them all.

Around The Club

Chris Ransom – Beakley Medal Winner 2012

2012 North Hobart Junior Football Club Under 13 Captain, Chris Ransom, took out the 2012 Beakley Medal in an exciting count at Glenorchy Football Clubrooms. The Beakley Medal is awarded to the Best and Fairest player in each STJFL age group, as voted on by the field umpires. Chris took out the award with 23 votes, playing as a ruckman and ruck rover, only the second ever NHJFC player to win a Beakley

medal in any age group (Mykal Wiltshire took it out in 2013).

Under 13 coach, Todd Curtain, who Chris credits with his great 2012 form, had this to say about the win;

“The winning of the 2012 under 13 association best and fairest may have come as a shock to Chris, but it would have been a shock to me if he hadn’t won it.

Chris is as professional as a young man can be at this age, in regards to his football. He is a natural leader, he works hard on the training track and he is a tireless worker on and off the field.

Chris is an athletic tall who can pull down big grabs at both ends of the ground, play ruck and then shift into midfield rotations. His versatility makes him our go to player in most circumstances.

Well Done Chris.”

The North Hobart Junior Football Club congratulates Chris on his achievement and is proud to have him as a player within our club.

NHJFC Annual Quiz Night

The calendar event of the year when teams from all age groups battle it out to see who will reign supreme!

On July 20, just over 100 of our most intelligent footy family members packed the NHFC clubrooms.

The venue was touted a huge success, thanks to the NHFC, Bruce, Mandy & Nigel for making it happen.

Old rivals, U/9 Red (Paul Payne) & U/10 Red (Todd Ferguson) started the sledging just after the 2012 Quiz Night finished. Unfortunately for Todd & his crew, they lost the sledging & the competition as Paul’s team went back to back, in what I hear was an inspired performance.

Jai Smith again took out the title of “Most Gullible Auction Winner” much to the disgust of his amazing & forgiving wife Tracey. (Thanks to those of you who helped push up the price)

We had a rare appearance from a few of our Under 18’s (all 18 of course), who left at half time knowing they just couldn’t compete with the might of the older generation! (Soft!)

Many thanks to Jim Ransom & Karen Cassidy for taking on coordinating the night in my absence.

Thanks also to Amanda Bosworth, John Gibb, Jack Gibb, Kevin Anders, Elaine Philpott & Suzi Ransom for manning the door & bar, selling raffles & lucky numbers, collecting & collating prizes and cleaning up.

Gratitude to Todd & Melissa Ferguson (Banjo’s Moonah) for the awesome supper & to our many sponsors for their fantastic donations;

Rosetta Pharmacy, Handmaed, The Little Caterpillars Daycare, the Philpott family, Bass Trap, Moonah Hotel, Lorraine Lea Linen-Jacky Kingston, Fish 349, Newtown Newsagency, Hobart Aquatic Centre.

Lastly, a huge debt of gratitude to our awesome Quiz Master Phil Ogle (and his wife Karen), for his time, humour and expertise. We really appreciate your contribution to our club.

Under 9 Red - Winners of the Quiz Night

Girls loving their footy at NHJFC!

Our Under 8’s were fortunate enough to have 3 girls register to play in the 2013 season Isabelle Payne, Matilda Waddington & Anna Fewkes pulled on the red & blue & wore their jumpers with pride. Well done girls on a great season, we look forward to seeing you continue your football careers with NHJFC.

In 2013 the STJFL planned to run a short girls roster, unfortunately for many & varied reasons the roster didn’t go ahead. The vision now is to facilitate a roster for the interested girls at the end of the year.

The following girls put up their hands to be the new face of the NHJFC representing all our budding girl footballers in 2013.

Thanks Ashley Roach, Rose O’Rourke, Sharna Thompson & Isabella Crespan

Vilification Education Sessions

As part of our commitment to the STJFL and to the Quality Clubs program, Jim Ransom on behalf of our club took on the task of presenting a power point presentation to over 100 of our youth players on vilification in the sporting arena.

This was a compulsory

session & was well attended by players, coaches & families across all youth age groups, all participants were fully engaged in the program & we were impressed by the depth of the knowledge of the boys & their conviction in their beliefs that vilification doesn’t have a place in football & our club.

Under 13 Vilification Session

A massive thank you to Jim Ransom for the countless hours he spent gathering the information, preparing the power point & presenting it to boys aged 12-18 years of age over 4 different sessions & for comprehensively getting the message across. Thanks to Mick Arnold STJFL for his support.

We are really proud of the players & administration of the NHJFC for committing to this program, we are 1 of only 2 STJFL clubs to fully present the program at the time of the printing of this year book. Well done, Jim, NHJFC & boys!

Club Highlights

STJFL Coach of the Year Nominee – Adam Doran (Dorks)

The NHJFC nominated Adam for this award for varying reasons, but not the least is his unwavering dedication & commitment to the players in his care.

The relationship between Adam & his players is not something that we have witnessed before, his rapport with them is based on mutual respect & genuine fondness, He is not just their coach, but their role model, their confidant & their mate.

His commitment to their development, both as players & more importantly young men is indeed inspirational. Adam embodies everything the NHJFC & their families want in their coaches & indeed the keepers of their most important assets, their youth.

Adam started coaching at NHJFC in 2011, his success has not just been limited to the progress & personal growth witnessed in his young charges, but also his amazing success on the football field,

“NHJFC Dual Premiership Coach” STJFL 2011, 2012

NHJFC joins the Lindisfarne Junior Football Club in season opener Thanks to a kind invitation from LJFC, the NHJFC sent the majority of its teams over to ANZAC Park to kick off the 2013 season in a very well organised Gala Day. It was the perfect opportunity for our coaches & players to kick off the cobwebs & settle into the 2013 footy season.

After each game, a “best player” was awarded a medallion by one of the many visiting dignitaries, our very own Matilda Waddington (under 8 blue) in her very first game, was presented with hers by the Premier of Tasmania-Lara Giddings; Well done Matilda! Thanks to Scott & his team for a great day, we look forward to many more.

2011 Under 15 Premiership flag is handed over at 2012 Life Members Luncheon
 L to R: Sonny Azzopardi (LM), Kerry Doran (LM) Jake Doran (Vice Captain) Jack McCulloch (Captain), Nic Pangrazzi (Deputy Vice Captain) Wally Nicholson (LM) Peter Fisher (LM)

Who is that first aid officer??

STJFL Volunteer of the Year Nominee – Mario Pangrazzi

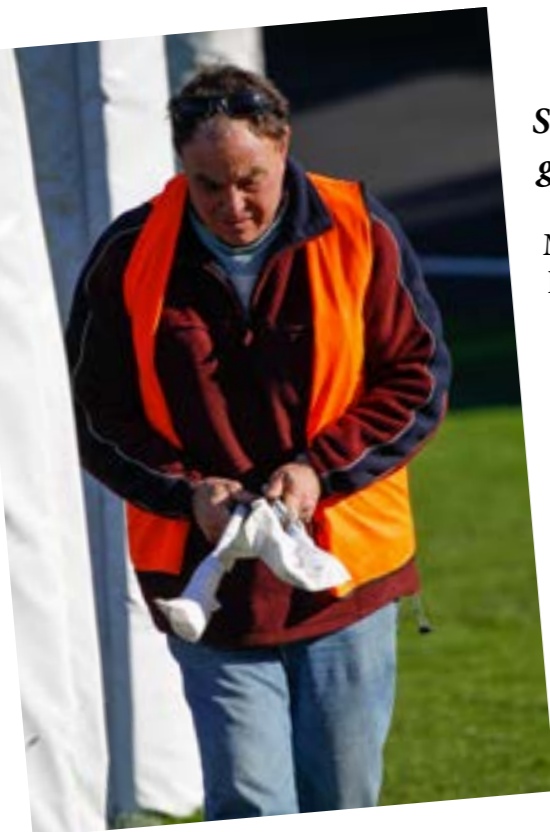

Mario started Goal Umpiring & volunteering at NHJFC when his son Nic started in Under 8's. Nic is now 1st Under 18's. Mario also goal umpire's for his second son Julian's team, Julian is in Under 13's

Too often volunteers like Mario are taken for granted because of their unwavering support & commitment. We want Mario to know that we recognize his commitment & that we show our gratitude by this nomination.

Clubs like ours are so very fortunate to have someone like Mario who quietly goes about his business without the need for recognition or thanks, in fact he would probably rather we didn't embarrass him with this.

Mario it's not just about the time you give, it's about the quality of time you give & why you give it. Your sole focus is the players of this club & your contributions allow them to be the sole focus.

The NHJFC are extremely grateful for your enormous contribution to our club over many, many years.

NHJFC Under 16's go "Back to Back" 2011 & 2012 STJFL Premiers

of the

Club Song

It's a grand old flag it's a high flying flag
It's the emblem for me and for you
It's the emblem of the team we love
The team of the red and the blue
Every heart beats true for the red and the blue
As we sing this song for you
Should old acquaintance be forgot
Keep your eye on the red and the blue
