

YEAR BOOK 2014

What a privilege it has been to complete my fifth year as President of the NHJFC. Each year sees different challenges that are equally tempered with great enjoyment & reward.

Our club fields 19 teams, & an Auskick program, that encompasses around 400 children & their families. In addition to our committee, coaches, support staff & community partners this is the makeup of the Demons family

Season 2014 has flown by, with many, many highlights most of which are displayed in the following pages of this amazing year book.

Our year book showcases the wonderful work achieved by our ever hardworking committee, our coaches, support crew, our players & their families.

It doesn't capture every single moment but what it does show; is a club proud of its heritage, its, colours & its commitment to our children, our families & equally as important our community.

Our club photographer Richard Mitchell (Mitch), is the designer behind this, our 4th year book production. We extend our huge gratitude to him for his never ending patience & good humour when deadlines for reports get extended by weeks & in this year's case, months!

Mitch, it looks fantastic AGAIN!

Year book production costs are a reasonable component of our annual projected budget, we are extremely fortunate that every year businesses & families within our club show their support by sponsoring a page, assisting us to keep production costs down.

Sincere thanks to our year book sponsors, displayed on various pages throughout this book. Please show your support by frequenting their businesses or using their services into 2015 & beyond.

At the beginning of 2014 the club was under scrutiny of proportions never reached before.

In every there are incidents that concern us & that we as a committee & club have to confront & resolve. Every incident (and there is always multiple incidents in a season), are thoroughly investigated, discussed & resolved at ground, committee & club level.

At the heart of all discussion & resolution is what is best for the children & families at our footy club. There are at times, questions asked regarding the integrity & character of our committee, our coaches & our support staff. We embrace that scrutiny because it gives us the opportunity to show case exactly the kind of club we are.

We are a club that has the utmost faith & conviction in our processes & the resolutions to all the incidents that we were asked to review.

We are a club that has the utmost faith & conviction in our people, our committee, our coaches, our assistant coaches, our team managers, our first aid officers, runners, water boys, our players & our families.

Bradley Arnott, Brad Hastie, Todd Arnott, Russell Yaxley, Matthew Cracknell, Ben Vankraanen, Matt Ferguson, Heath Wood, Paul Payne, Garry Smith, Nathan Cowburn, Anthony Bosworth, Todd Ferguson, Warren Walker, Jamie Roach, Steffan Waight, Gray Coleman, Kevin Anders, Blair Brownless, Jim Ransom, Adam Doran and Rick McCulloch you are an integral part of our children's ongoing development as footballers & more importantly people.

The NHJFC committee & families have entrusted their children into your care confident in the knowledge that you will nurture, protect & help them grow in a family based community club that values integrity, compassion, respect & inclusion.

Our highly valued support staff ; Wally Arnott, Braedon White, Troy Goldner, Katie Cracknell, Amanda Bosworth, Paul Ashby, Rebecca Payne, Celina Sargent, Brendan Griggs (Umpire Advisor), Garry Hawkins, Lisa Smith , Natalie Loh, Kevin Williams, Kate Vincent, Jamie Roach, Tracey Smith, Susan Vince, Raymond Becker, Lynette Lapham, Brett Clements, David Doyle, Michael Suhr, Ange Barrett, Mario Pangrazzi , Aaron Barwick, Sandra Holloway, Michael Cowie, Tracey Cowie, Mark Caswell, Kerry Nicolle, Kim Roberts, Nick Pangrazzi, Mark Heynes, Paul Gough, Leigh Wighton & Lindsay Rolle and many, many more you are so very important to our children & our club.

Your contribution to the efficient & professional running of this club can never be under estimated.

Banjos Moonah

Proud Supporters of NHJFC

Our hardworking committee has had the addition of some amazingly enthusiastic people, Anthony Bosworth, Ange Barrett & Gaileen Doyle, we welcome you. We have also retained some stalwarts of the club & we are ever grateful for your continuing support. Our new committee members have brought a fresh approach & new ideas along with a renewed enthusiasm that has been quite contagious.

Huge thanks to;

- Anthony Bosworth (Vice President & Junior Coaching Coordinator)
- Gaileen Doyle (Secretary & Newsletter Editor)
- Michael Bomford (Treasurer, Registrar, Public Officer & website Coordinator)
- Tim Lockett (Committee Member & all round Dogs Body!)
- Jim Ransom (Committee Member & STJFL Delegate)
- Amanda Bosworth (Committee Member & Merchandise Coordinator)
- Karen Cassidy (Committee Member & Jumper Coordinator)
- John Gibb (Committee Member & Football Steward)
- Ange Barrett (Committee Member & Fundraising Coordinator)

In season 2014 we have continued our unwavering support for our favourite charities Ronald McDonald House, Bethlehem House & Make a Wish. This year we included Canteen, with a one off fundraiser at our annual Quiz Night. At the AFL TAS/HYDRO TAS leadership awards dinner in 2013 we were fortunate to win a \$5000.00 grant for our club. This prize money was ours to do with what we pleased, our committee made a decision to use the money for a project that will have ongoing benefits to the future of our club.

The NHJFC is about to launch its very first Youth Leadership program. This program is targeted at our Under 16 age group. The successful applicants will be involved in a program that will cover topics such as; Drug & Alcohol education, healthy living & pre game preparation, strength & conditioning, leadership, peer support & mentoring & community engagement & support.

The expectation of our program participants is that they in turn will give back to our club well into the future. It is anticipated that the prize money will enable the program to be run over the next 4-5 years, producing 30-40 future leaders of our football community.

Our goals for 2015 include;

- Obtaining Silver/Gold accreditation in the Quality Clubs program, (this process is well underway at the time of printing this book)
- Joining & obtaining accreditation in the "Good Sports" program
- Continuing our work in our many community based projects.
- Providing the children in our community with a club that is welcoming, nurturing, and inclusive & is of an equally high standard off the field as it is on the field.

We thank you for your commitment & support of our club in 2014 & look forward (after a little break!), to seeing you all at the footy in 2015

Julie Doran

Past Presidents Trophy

This inaugural award was presented in 2013 to Under 18 player Ben Stearnes

The award was instigated by past president Peter Fisher & his wife Carol.

It is anticipated that the award will be given annually to a player at our club who after facing adversity or difficult life challenges is able to overcome personal hurdles & turn them into positives.

In this case Ben was a much valued, popular & giving member of our under 18 group despite personal adversity.

Auskick kicked off well for 2014 with around 20 keen children ageing from 2-8. We spent the early part of the year learning basic skill's, with the help of my brother (Wally) and many keen mum's and dad's.(Thank's guy's)

Skill's developed were hand balling, kicking, marking and touching the ball on the ground while running, starting with basic games and as the year progressed introduced game's that made the children think a bit more. We worked on teamwork and sensible competitive work.

The second part of the year was a complete wash out!! but all in all the children had fun and I think I may of had even more fun than them!
Hope to see you all back at North Hobart next year.

Thankyou to everyone who helped out during 2014 Auskick season.

The Under 8 Blue team is a fantastic group of young men who represented our club, their families and importantly themselves with loads of energy, commitment & fun in 2014.

This year the boys focused on the 3 F's - Fun, Friends & Footy. Having fun in everything they did. Starting and developing friendships that could last a lifetime and all the while playing footy, developing skills and going at 100% on game days.

The boys worked hard at training on their skills and brought what we had trained for into each and every game. The motto on game days was 'Go and get the ball' and 'Work together as a team'. Every game they did exactly this and it was a pleasure to watch. The individual improvements, whether it was simply going for a mark, contesting the ball, passing to teammates or kicking a goal was fantastic to see.

Massive thank you the team managers, Troy & Kim Goldner. Super organised and communicative to the parents, you both are amazing! Your assistance really enabled me to focus on coaching the boys. Another huge thank you to assistant coach Lindsay Rolle for taking training and umpiring games. Thank you to every parent who assisted each week with canteen, goal umpring, orange supplies & preparation and training, your efforts and hardwork was very much appreciated!

Boys, I am so proud of you all how you consistently came to training & game day every week with passion to develop your skills and work together as a team. From the start of the year and as the weeks past by, it was really obvious that each one of you were improving so much. It's because of your dedication and commitment to improving, is why you have had success this year, congratulations. Again I'm very proud of you, it was a pleasure to coach you. I look forward to watching and hearing about your football careers over the years to come.

Under 8 Demons 2014

Wow! What a season for our Under 8 Demons. We have had an absolute blast this year. The boys have played and trained with a fantastic attitude and enthusiasm, always listening to instructions and carrying them out when on the field.

What impressed us coaches the most this year was the spirit in which our games were played. The boys' willingness to include each other in games and share the ball around was impressive, making sure everyone had the opportunity to get a touch and kick a goal.

As first year coaches, we will remember this year for many years to come. For us, these are what we will remember most about 'our boys':

- Jake – his ability to mark overhead and kick goals
- Henry – his beautiful left foot and sure hands
- Ashton – his fearlessness and courage
- Jed – his great team-work and attitude towards improving
- Jalen – the huge smile on his face when he kicks goals
- Charlie – his enthusiasm and 'team first' attitude
- Miller – his nonchalant knack for finding the goals
- Oscar – his pace and run off the backline
- Thomas – his improvement; it has been amazing
- Brock – his big booming kicks
- Harry – his selflessness, and willingness to bring others into the game
- Nick – his aggression at the contest
- Oliver – his great run and carry

From us, a huge thank you to all the boys that have made the season as enjoyable as it was. We would also like to thank Braedon our Match Manager and Jane for organizing margin tickets and our end of year function. Finally a big thank you to our parents; without your willingness to help us out, our job would be much more difficult than it has to be, so thank you.

Bring on next year!

The 2014 Under 8 Red team consisted of 13 players, and for 11 of them, it was their first year of footy. The boys have become great team mates and have improved quickly, this was evident as they continually used the skills they had learnt at training and put them into practice on game day.

2014 had a couple of great highlights for us, including a visit from Duff TV crew and also playing at half time at the North Melbourne versus St Kilda game at Blundstone Arena. These two highlights were an amazing experience for the boys which I am sure they will remember for some time.

A special thank you must go out to Katie for managing the team, she did an amazing job organizing us and the year ran smoothly due to her efforts. Also to Leigh Wighton, for being at every training and helping me throughout the season. Thank you to all the parents, grandparents and siblings that helped make 2014 such an enjoyable year. And finally, I would like to thank all of the boys, they were a pleasure to coach and I was very proud of the way they continued to improve each week. I hope they all continue to play this great game next year and for many years to come.

Proud Supporters of NHJFC

We pretty much started this season with a bang. It has turned into being a fantastic year for Under 9 Blue.

It began by seeing most of last year's players returning which was great knowing that they had as much fun as me. We also welcomed four new players to the team, they came to us with some great strengths and turned into good little players and great mates.

2014 wasn't without the usual controversies football tends to bring, but through the bad we became a team to be reckoned with, both on the ground and off. I'd like to thank everyone for their support, when times were tough, it meant a lot.

This year the spotlight was on the introduction of tackling, we had some trials and errors but without them we don't learn anything, so at the end I hope everyone realises tackling isn't as easy as the AFL players make it look.

To all of my team I want to say I'm proud of you all, you are turning into great footy players and good sports and we now all know our song!!

Thank you to all our supporters; mums, dads, nans, pops, brothers & sisters, it means a lot to have a cheer squad. Also thank you for all your help to make game days happen whether you helped in the canteen, goal umpiring, helping at training or fundraising it all made a difference.

Thanks again to Rebecca for coming back and managing our team this season, I know it's not always easy.
On a final note: Bring on 2015

Proud Supporters of NHJFC

WOW! Another year of development into the boys has come and gone, our group dropped in numbers from last year due to a few boys being too young.

With the introduction of tackling for the under 9s this season, we started training really hard on applying the correct technique, which the boys picked up very quickly.

After a shaky start in round one they have improved out of site with all skills of the game, and only losing one game along the way (nobody is taking scores) haha

It's so rewarding to see these very talented boys develop into elite football players. It's a credit to these kids that they really want to improve on everything they do.

Congrats to the following boys on another great season, and I look forward to next season.

- Harry
- Cayden
- Dylan
- Macca
- Xavier
- Clancy
- Henry T
- Henry Y
- Leo
- Jack
- Remy

Finally a big thank you to all the parents for helping out on game day, Anthony for taking charge for a couple games and trainings, and Amanda for being team manager, great works guys!

Go the mighty DEMONS!!

Proud Supporters of NHJFC

What an absolutely fantastic season was enjoyed by all the boys representing Under 9 Red. It was very encouraging that apart from a couple of last season's team who were eligible for another year in the under 8s, the majority of the boys from Under 8 Red 2013 returned for another season. They all returned even more enthusiastic than the previous season if that was possible. The returning players, Will Ashby, Jewd Careless, Riley Ferguson, Luke Moore, Jack Pritchard, Oscar Pritchard, Hugh Sansom, Sam Vinen and Michael Wild were joined by four new players to the team for 2014 in Oliver Barnes, Ayrton Cooke, Jensen Cooke and Krystian Jankowiak. These four new players all fitted into the team in great fashion.

With a modified form of tackling introduced for Under 9s this season it led to a new skillset that the boys had to learn and they attacked this with vigour and undoubtedly this made for a far more enjoyable and challenging game for the boys. The improvement in all the different aspects of the game was immense from last season and even from the start of this season. It was very evident for me to see the improvement and development of each boy not only from the games they played but also the skills they displayed at training. It was amazing to see in games the boys passing the ball from the backline all the way to us scoring a goal without either the opposition touching the ball or the ball touching the ground.

The boys all displayed a great attitude to both the games and training and this was no better demonstrated than after a game when both the opposition coach and umpire complimented our team for not only being the most skilful team they has played this season but also being the best sports they had played in the way they acted towards the opposition and the umpire. This is something the boys can be proud of.

A big thanks to all the parents, grandparents, brothers and sisters who all helped out throughout the year whether it be getting the boys to games and training, canteen duty, time keeping and goal umpiring. Your help is appreciated greatly by me and I'm sure the boys as well. Special thanks to Simone and Paul Ashby for your hard work as match managers, having you deal with all these duties made my job as coaching a lot easier and also to Scott Vinen and Ben Careless for umpiring games and helping out at training and game day.

Last but not least thanks to all the boys who are an absolute pleasure to coach, I look forward to them hopefully all returning next season.

Matthew Ferguson
 Under 9 Red Coach

Back Row: Lucas Fleischmann, Lucas Allen, Liam Harris, Conor Blanton, Jackson French, Jack Robertson
Front Row: Nathan Cowburn (Coach) Max Brideson, Jacob Tarvydas, Johnathon Pullen, Max Cowburn
Jonathan Fewkes, David Allen (Assistant Coach)

Wow.....what a season!

Our small, humble team have gone from strength to strength this year. The introduction of zones and tackling has seen a huge change in game play. With some initial apprehension the boys embraced the new rules showing real courage under fire. I am really proud of the boys not only for their commitment to the game and to training but for their maturity and ability to adapt to different conditions every week. The boys took it all in their stride and have come out of each and every game with their heads held high knowing that they have given one hundred percent. The boy's ball skills, movement and game play have exceeded both Dave and I's quite lofty expectations!

- #1 Jono – Superb all-rounder. Super balanced, both sides of the body.
- #2 Jack – By far the most improved skills this season. Keep up the good work mate!
- #3 Max B – Prodigious kick and great game sense.
- #4 Big Jon – Mega hard at the ball, clean and fair.
- #5 Conor – Our newest recruit, tough as nails.
- #11 Jackson – Personal development has come a mile, some great contested marks.
- # 14 Chop – Very vocal. A great team player, loves a goal.
- # 16 Jake – Shows great pace and a willingness to compete like no other.
- # 25 Max C – Silky skills, beautiful disposal.
- # 26 Liam – Great footy brain, super clean ball delivery.
- # 40 Fleishy – Great run, always hard at it.

Once again it has been a pleasure to be associated with this football team. Many thanks to our parents, grandparents and siblings who have shown great support to Nat, Dave and myself over the season. Special thanks to Nat for running the team, Keith for his dedication and flair for Stats and Dave for being a great Umpire, sounding board, reality checker and mate.

Awesome season boys. You've dominated the field and made a huge impression on me, your parents and our opponents showing everyone what you're capable of as individuals and as a team. I hope that you've enjoyed the season and that you have made some life-long friendships. Hope to see you all back next year for bigger and better things.

Nathan Cowburn Coach

The 2014 season saw 15 boys (12 returning from last year, Levi and Lewis joining us and after a few games Seb joined the fun) enjoy a fantastic season, full of fun and improvement. The confidence in all the boys grew as the season progressed and as the confidence improved so did the footy!

The enthusiasm the boys showed at training was infectious and best demonstrated by almost every Tuesday night having to be broken up in full darkness by me confiscating the footys and sending the boys off with their amazingly patient (and often freezing) parents.

The season was a full team effort both on and off the ground and I'd like to thank Aaron Broadby for assisting me all season with organising the boys at training and game day. Az you made my job much simpler! Gaz Hawkins for goal umpiring every week & Matt Mallinson for giving his time to umpire most weekends. Special mention to my wife Lisa for taking on the team manager duties and ensuring EVERY week all the off field details ran so smoothly, your organisation and work behind the scenes was appreciated by all parents and players. To Nathan from U10 Blue, thanks for having the Demons and Blue teams train together for a small part each Tuesday, I know the boys loved the different voice and drills and I certainly appreciated the messages you provided. Thank you to all parents for buying into what I wanted to instill into the boys which was the simple focus on EFFORT at training and on game day. A number of boys would come to training throughout the year telling me how much extra work they had been doing at home, and this was clear to see in their game.

Also thanks to Pete Colhoun from Taylor Screens for his kind donation/sponsorship towards end of year awards for the boys.

The improvement from last year to this year was huge, with some of the passages of play from one end of the ground to the other looking like a much higher standard than U10s. The team work, attack on the footy, learning the importance of playing all positions on the ground (not just their favourite!) and looking for team mates in better positions were on display more and more each week.

I want to thank all 15 of my boys for your effort and improvement and that you all had as much fun as I did. I hope you all continue your football journey next year and continue to listen and learn as much as you did this season.

Another huge year.

The boys have gone from strength to strength this year. Their physical and mental development has exploded resulting in their football being at a level I have never seen in under 10's before.

An absolute pleasure to coach, I wish them all nothing but the best and will be watching them all very closely in the coming years. Must also thank the parent group. A very strong presence at every game and always there to help out on game day. A huge thanks to Brendon and Celina on their managerial duties. Brendon for umpiring and Pete Kenna for his assistance at every training and on game day.

BEN STRONG- The biggest improvement from one year to the next that I have ever seen at this age. Gun.

ZAC ALNASSER- Kicking has improved out of sight, very dangerous in the forward line.

TYLER KENNA- Break out year. A tackling machine, Huge year ahead next season.

WILL SATORI- Mr reliable. Cool in a crisis. Highly skilled. A big future ahead.

BILL GRIGGS- Has become a gun midfielder. Exceptional skills. I still dont know if he's a right or left foot kick.

JOSH HILDER- Give him a job and he does it. keen, reliable, gets the hard ball. A coaches dream.

JOSH PROBERT- First year player. Oozes class, natural ability. Watch this space.

MAGNES McCAUSLAND- Rises in the big games, loves a challenge. Will take mark of the Century one day.

JORDI MEDWIN-SMITH- A rock at CHB. Cool in a crisis. Very reliable. Great foot skills.

MO MEDHURST- First year player. Reads the fall of the ball like a veteran. Improved every game. Exciting future.

HARRY HOLMER-CROSS- Exceptional year, Fast, Hard at the ball (and player) Huge future.

JACOB NICHOLSON- Huge improver, Loves taking big marks, dangerous around goals.

FRASER PAYNE- Can turn a game on its head in 5 minutes. Fantastic foot skills. A sharp shooter around goals.

THANKS FOR A GREAT YEAR BOYS

PAUL PAYNE

Celebrating another successful Ronald McDonald Day Fundraiser with our friends at Lindisfarne Junior Football Club

Jared Brazendale Cup

HAVING a football game named in your honour is a great tribute to a sports-mad teenage boy.

A year to the day since Hobart teenager Jared Brazendale died in a road accident, his friends and former teammates gathered at New Town Oval for the first Jared Brazendale Memorial Cup.

Medals and a trophy were awarded to the winners of the first annual fixture for the North Hobart and Glenorchy under-16 sides.

Jared was killed in a collision between his pushbike and a ute in Claremont. He was 13.

A Glenorchy Football Club player and New Town High School student, he also had friends in the North Hobart Junior Football Club side, so it was arranged for the teams to play a game on the anniversary of his death.

North Hobart and Glenorchy will now face each other for the Jared Brazendale Memorial Cup on the day closest to August 18 each year.

David Hudson (Make a Wish) & Buster Jones; representing his son & one of our favourite sons Callum at the annual Life Members Luncheon in 2013. Callum was the recipient of a Make a Wish, wish during his battle with cancer.

The NHJFC presented Make a Wish with signed EJ Whitten Guernsey to auction at a fundraiser of their choice, we also pledged to continue to support this worthwhile charity in Callum's memory.

Left Buster Jones and right David Hudson from Make a Wish Foundation

The Australian Organisation for Young People Living with Cancer

An impromptu fundraiser at our annual Quiz Night saw the NHJFC raise in excess of \$150 for this very worthy charity.

The bandanas sold were used in many & varying ways at the Quiz night, much to the amusement of many Quiz Night participants.

In 2014/2015 NHJFC will be engaging in the Quality Clubs program, aiming for Silver/Gold accreditation

The benefits of engaging in this program are listed below;

- Providing an atmosphere that will help to attract new participants, officials and members (and retain those you already have);
- Providing an environment that will be attractive to sponsors and help your club promote itself amongst the community and particularly to your local Council;
- Minimising many risks associated with running a sporting club;
- Creating a best practice guide for your current Committee and all future Committees;
- Participating in a sport that can continue to promote itself as a leading sport where quality is valued highly.

Ultimately, the benefit of being involved in this program is to create a better club!

Good Sports

In 2014 NHJFC participated in preliminary discussion with Good Sports to begin this program toward the end of season 2014 & the beginning of season 2015. Our Youth Leadership Program participants will be our first group to engage in this program.

How does Good Sports work?

Good Sports provides free support to sporting clubs to change their culture and reduce high risk drinking. Under the program, clubs will focus more on young people, families and sport participation and less on drinking alcohol.

Good Sports' major focus is to support sporting club committees progressively change the way alcohol is managed in all activities within the club's grounds and associated functions.

This year saw the U11 teams reduced from 3 teams down to 2, with 7 boys coming across from Rick Loring's side and two new boys to the club also joining my team. The way they fitted in was a credit to themselves and to all their team mates who made them feel welcome. It didn't take long for the boys to become good friends, and start playing good team football, which was fantastic to watch.

On the field the team was successful against most opposition, though we had a couple of losses that helped highlight where we are compared to the best in the competition, and where and how we need to improve to become the best that we can be.

The boys skill sets continued to improve and by season end, improvement could be seen in every player, the main thing we all noticed was the confidence levels across the team starting to develop. At the start of the season new rule changes meant that tackling was introduced and I believe this helped a number of my players, as it allowed them to stop the opposition player from running away, however it was interesting to watch early in the season when a number of players stopped wanting to get the ball and would rather wait till their opponent picked it up so they could tackle, thankfully after the first quarter of the year this seemed to stop.

As a team we need to continue working on our general skills and our running capacity as when you play on big grounds against good opposition you need to be able to run for four quarters not three to come away with the win. I know the boys want to improve and as long as that is the case I am sure they will.

The one aspect I enjoyed most this year was watching the enjoyment on the boys faces when they knew they played well and the team had won, they certainly know how to burst out the song "It's a Grand old flag" though the AFL has something to answer for with the spraying of water from water bottles that regularly occurred! On the flip side you could tell the disappointment on the boys faces when they hadn't played as well as expected, this shows that they care about what they are doing and I know they will learn from those few times.

This season I had a lot of help which was appreciated immensely, firstly I would like to thank Rick Loring for the time and dedication he put into the new players I had the pleasure of coaching this season, they were good young respectful boys with an already good skill set, so thanks again Rick. I also grabbed the opportunity to engage Kevin Williams as my Team Manager who did a fantastic job of organising everything and everyone. On game days and at training I had the assistance of Ben Perriman who did a fine job as my assistant and controlling the board. I would also like to express my sincere thank you to Cameron Brown and in his absence Mick Shiel for their field umpiring duties they performed every week and also Michael Fracolossi for his weekly goal umpiring duties and Tanya Rolle for her First Aid work. To everyone else that helped in some capacity THANK YOU.

I hope we can keep all the boys together moving forward, I look forward to seeing their development.

Anthony Bosworth

Under 11 Red

Season 2014 saw 2 teams selected to represent NHJFC in the Under 11 competition.

We welcomed our Assistant Coach Rick and boys Patrick, Daniel, Jack, Hunter, Tyler, Flynn, Darcy and Ashton, growing the side to 22 players.

'Together we are Under 11 Red'

- | | |
|------------|--------------|
| #42 Sam | #17 Locke |
| #20 Tyler | #31 Hunter |
| #14 Issac | #8 Tom |
| #23 Dan | #6 Lucas |
| #38 Paddy | #15 Fletch |
| #24 Max | #36 Connor |
| #9 George | #2 Oli |
| #35 Ashton | #30 Flynn |
| #5 Con | #25 Harrison |
| #21 Oskar | #34 Jack |
| #33 Darcy | #39 Dom |

All families helped throughout the season from goal umpires, runner duties, canteen & oranges, it was great to be part of a team where everyone was willing to contribute. A big thank you to Rick for umpiring. Supporting the boys with consideration and respect for opposition and umpires, we all enjoyed our Sundays on the sidelines together.

Tackling was introduced to our age group this year, which the boys embraced providing some exciting, entertaining and exhausting games! Under 11 Red represented their club with exceptional sportsmanship and commitment every week. A cooperative & respectful team who embraced their club song at the end of every game with great enthusiasm!

'Boys who play with a love of the game'

Thanks for another enjoyable season

2014 saw the introduction of finals for the first time. The year started in a hurry with the joining of the two teams from 2013 into one super team after round 2, with a total of 27 players. We had the perfect season with a 100% win loss ratio from 14 games & are planning for a finals series as we are penning this report, excited for the opportunity that awaits all concerned?

Our success this year has been built on a foundation of basic ball skills and a game plan that focused on our strengths as a team. We have focused on the movement of the ball through all three zones and attributing a role to all positions on the ground in each zone.

We spent 1/3 of all training sessions working on our game plans, each week different roles have been allocated to the players, allowing all players the chance to grow, develop and lead the team with a strong understanding of the teams game plan.

We had Jacques Barwick, Sam Collins, Wil Collins, Ronan Gillam, Liam Roach, Conner Smith & Patrick Walker represent North Hobart in a North v's South trial game in launceston with three players Sam, Jaques & Connor being selected to play for Tasmania in a State carnival in NSW.

We thank the family's for their commitment to the team, for their calm understanding on match days and for allowing us a chance to provide your child the opportunity to grow as a person through the game of Aussie rules.

Regards Jamie & Warren

After a great end to the 2013 season the boys couldn't wait to start the 2014 season.

The season started just after Christmas, with a few beach runs, with all of the boys turning up. Pre-season started in February at Ogilvie High School with a lot of skill work and working on set plays. After 7 weeks of hard work the season was upon us and what a year we had. The boys improved every game, showing great teamwork and sportsmanship. Highlights of the year were playing at Blundstone Arena and playing 2 night games. I would like to thank Boris Becker – Coaching, Lynette Lapham - Team Manager, James O'Neil - Runner, Paul Gourlay – First Aid/Medical, Bernie & Steve Garratt - Time Keeping/Interchange and all the parents who helped out during the year.

Isaac (Capt.) – Great year playing halfback, dashing right footer.
Blake (V Capt.) – Great year, smart footballer who doesn't stop talking.

Noah – Versatile player who can play anywhere.

Mitch – Hard running midfielder.

Kane – Another dashing halfback with good hands.

Becker – Loves to get down and dirty and loves a tackle.

Oscar – Hard running half forward.

Liam G – Wingman who runs all day.

Joel – Was a rock at centre half back all year.

Tom - Welcome back – great year in the ruck.

Ant – Forward who loves a tackle.

Thomo – Footballer who always gives the first option.

Fin – Always loves a goal, but always does the team stuff.

Harry – Always gives 100% and loves a tackle.

Major - Versatile big man who plays forward or back.

Barr – Big marking forward.

Tyler – Very skilful Midfielder.

Josh – Centre Half Forward who can mark and can run.

Will – Talented ruckman who runs all day.

Jackson – Interrupted season but still loves a handball.

Zac – One of the most improved players in the side.

Heathcote – Back man who doesn't give an inch.

Jonah – Another back man who runs all day.

Liam M – One of the quickest hands in business.

Jono – Hard running, skilful wingmen.

Gowans – Versatile player who can play anywhere.

Goodluck to all North Hobart boys playing in finals this year.

Steffen Waight (Coach)

In Year 2014 North Hobart again fielded 2 sides in the U14 competition, a new setup, with 2 divisions.

This came with a few complications during the year, trying to manage the playing numbers in the 2 sides. But to the boys credit, they helped out when needed.

The boys continued to improve with their development, enthusiasm and attitude towards training and game day.

There were some exciting football played against some tough opposition, with all players contributing to the team game.

Some quotes the boys would of heard a number of times during the season, that they will hopefully serve them well through their football careers:

- “ No U turns”
- “communication”
- “ organise”
- “ Roll Up”
- “ Switch play “
- “ Running in Numbers “
- “ Lock On “
- “ Be in front “
- “ Turn 1 into 2”

We would like to thank the U13 team for supplying their boys each week, and hope they enjoyed the experience.

And a special thanks the support from Dave and Gaylene Doyle, Ange Barrett, Brett Clements, Micheal Suhr, Jules Doran, Jonno Rogers, Shane Joyce, Kylie Coleman, Mario Pangrazzi

and to all parents and families who helped on game day and their support during the season , to make things run as smooth as possible.

Thanks to all the boys for the year and we look forward to seeing the them continue with their development and improvement in their footy careers.

Cheers

Kev and Gray

 Front Row: Campbell Dickens, Eddie Cole, Jonty Barwick, Jack Roberts, Alex Pointon, Daniel Claridge

2014 has been an up and down year for our 16A side, in a tough competition. At times we struggled to get our best team on the ground, for varying reasons, and we also had large periods of time where we didn't play any footy at all, due to the draw and washouts. This made it difficult to settle our side into consistent footy.

On the upside, we did show that when we were up and going we were a good side. In the first half of the roster, we lost 2 games by under a goal and won three in a row during this period, but struggled to find momentum after that. It is a credit to the core of our group that they stuck together during the second half of the year and kept plugging away. At times outsized and with no rotations, the boys kept trying and our effort was always there. We usually had period through these games where we matched or outscored the opposition, but found it hard to sustain this for four quarters.

Individually, some of our boys were rewarded for their outstanding commitment and skill. Jessie Maple, Marcus Rickards and Eddie Cole all played Development League for Hobart City at different times through the year and were good contributors in this league. This effort should not be underestimated, as this is a difficult competition for young players to get a kick in. This auger well for the future of these 3 players. Baxter Norton and Chris Ransom were members of the Tasmanian Under 15 side that played in the National Championships, with Chris appointed Vice Captain. Congratulations to these 2 boys for acquitting themselves well in Sydney. Well done also to Keren Howlett, who played mostly in our B side, for making this side as well. Bull McDonald and Campbell Dickens also made the step up to under 18 footy, and showed that they should be comfortable playing in that league in 2015.

Thanks to our leadership group – outstanding young men; Jessie Maple and Ed Cole (Captains) and Campbell Dickens and Alex Beswick (Vice Captains), and to Sandra Holloway (Team Manager), Rod Dickens and Aaron Barwick (Assistant Coaches), Kerry Nicolle (Trainer) and Anthony Cole (Runner) for your help this year, as well as the parents who helped out when needed.

I hope all the boys continue on with their footy next year, either at NHJFC or Hobart City. Thanks for your efforts this year, boys.

Proud Supporters of NHJFC

After all Under 16 players commenced training in late January, a decision was made by the coaches to split the players into two teams based on age groupings. The A team comprised players in the Under 16 top age bracket while the Under 16 B team was in fact the Under 15 team. This allowed the same team from the Under 14s to play together with two players, Baxter Norton and Chris Ransom, electing to play regular Under 16 A games and play with the Under 15 team on occasions. This proved to be a great way to keep the two teams together and continue the team spirit that had already been generated over a number of years.

Preseason training was very solid with the players training twice a week with a focus on increasing general fitness, improving skills in game situations, implementing a new game plan and of course, having fun along the way. The Under 15 team started the season brilliantly as a result of the excellent pre-season conducted. At this age group, most players have established themselves into set positions but the modern game demands players adapt and play different roles according to certain game situations. The secret to the success of this team this year was the even contribution from all players and not the reliance on a few star players. There is no doubt that each player continued to improve throughout the season with a number taking giant steps forwards.

The backline was rock solid all season with defenders Jake Barrett, Owen Arrowsmith and Jordan Kirkwood rarely beaten in one on one contests. Ryan Cowie, Ben Brownless and the modern day footballer Adam Steven provide great rebound from the half backline and launched many attacking plays throughout the season.

The team was blessed with many quality midfielders, led by the captain Sam Fros who had an outstanding year. Keren Howlett and Sam Caswell enjoyed wonderfully consistent seasons and were well supported by Jimmy Bower and Ryan Bosworth.

Gun forwards Austin Keeling, Seb Godfrey and Callum Woodward lead the charge and were very supported by goalsneaks Luke Williams, Damon Curtain and James Moore.

New recruits Izaak Sealy and Luke Foster played some great footy mainly in the ruck with some of Izaak's tap ruckwork being outstanding.

The team enjoyed an outstanding season and must be commended for their ability to carry out the new game plan. The players were an absolute delight to coach and should be very proud of the way they conducted themselves throughout the season.

Many thanks to the super organised team manager Tracy Cowie, runner (and the biggest kid of all) Mark Caswell, Scott Williams for assisting with the coaching and Michael Cowie for his first aid work. Thanks also to the many parents that assisted during the season as organised by Tracy. It was also great that a number of Under 16 A team players very willingly filled in for our team when needed. The way the two teams worked together was fantastic, thanks Jim Ransom.

Special mention to the three players that were selected to represent Tasmania at the national School Sports Australia championships in Sydney. As the coach of this team, Keren Howlett, Chris Ransom and Baxter Norton all performed really well at the carnival and did our club proud in the way they conducted themselves on and off the field.

Regards,

Blair Brownless

Proud Supporters of NHJFC

The NHJFC Under 18s had a slow and delayed start to the 2014 season due to a lack of numbers over pre season. Over the last 3 seasons this group has had several players move into the senior group at North Hobart in 2012/13 and a large number moving up to Hobart City in 2014.

There has always been a focus on team success and growing as a group but an equal focus on developing our young men by identifying their individual needs to allow them to step into the senior club and be ready to perform at a higher level.

This philosophy has allowed young men the right to challenge themselves in a senior club environment when they are ready to do so and not when they are simply too old to play juniors. We believe this the right approach for the individual and will promote a strong senior club in the future. This promotion of young players along with several players having a year off footy to concentrate on their year 12 schooling created a short fall in players in the 18s age group for the year.

By late February it was looking increasingly likely that we would not be able to field a side but some recruiting by the players themselves bringing along mates who either had not played for a few years or not at all formed a side. There were players returning back to NHJFC as well as players from other clubs previously which created a tight group of guys who wanted to play footy together and grow over the year. With very little pre season in them or recent football seasons behind them there was a lot of sore muscles, skill errors and vomiting.

The boys sustained some heavy losses early in the season as predicted but remained positive and were willing to work hard at training and eventually get their bodies to a point where they were able to compete at a consistent level.

A mid season game in Devonport began with a 5am bus ride, unfortunately a loss but an enjoyable and bonding bus ride home. Not a lot of info on the bus ride home, all i know is the boys enjoyed themselves... After this the boys strung together there 3 best games, their first win and then 2 narrow losses against teams that had previously beaten them by 20 goals earlier in the season.

A mid season break in the roster for a month killed the mojo the boys had developed. They remained committed to finishing the year strong and regained form towards the end of the year.

Ultimately this season showed all players in the group that continual commitment and a high work ethic is essential to reach the full potential of any group. With 70% of the group able to play 18s again next year they can take the lessons learned from the last 2 seasons and apply themselves over the summer months and look forward to a strong and successful season in 2015.

From our perspective we enjoyed coaching the group, really good group of young men who we saw glimpses of potential in over the course of the year and some excellent character traits, wish them all the best.

Thanks go to Mark Heynes and Paul Gough for their ever present help on games days.

NHJFC Annual Quiz Night

One of our major fundraisers for the year was again a huge success.

On July 19, just over 75 of our most intelligent footy family members packed the HCFC clubrooms. It was great to see almost every age group represented.

The run of wins for U/10 Red (Paul Payne) was finally broken when U/11 Blue Anthony's Allstars (Anthony Bosworth) snuck through for an unprecedented win.

Dave Doyle purchased the auction item in support of the state Under 12 & 15 boys.

Huge thanks goes to Nat Loh for all her amazing work sourcing prizes for the night. Thanks also to the committee for all the prep and to

John Gibb and Daniel Gerrard for running the bar. Big thanks to Todd Ferguson and Banjos Moonah for their awesome supper and to our many sponsors for their fantastic donations; Crust Hobart, Waggon & Horses, Entertainment Book, Hill St Grocer, Lean to Kitchen, Providence, Escape Beauty Lounge, Queens Head Hotel, Coles Newtown, Guardian Pharmacy North Hobart, Farmgate Market, State Cinema, Tradelink North Hobart, Jack Greene and Cargo.

Games were played and red faces were seen, but all for the purpose of raising money not only for NHJFC but also donating to three other worthy causes, Canteen, Bethlehem House and the NHJFC U/12 & U/15 state teams members

The North Hobart Junior Football Club would like to thank the following businesses for donating prizes to our annual quiz night:

Thank you all for your kind donations. We have been overwhelmed by the generosity of local business and urge our families to support our sponsors and say a big thank you the next time you're in!

In 2014, AFL TAS in conjunction with the School Sports program selected an under 12 & under 15 state side to represent Tasmania in Sydney. Many of our very talented under 12 & under 15 boys went through a selection process that culminated in six of our boys & one of our coaches representing the state & NHJFC at the National Schools Championships in Sydney in July

A huge congratulations to Jacques Barwick, Sam Collins, Connor Smith (under 12) & Keren Howlett, Baxter Norton, Chris Ransom (under 15) & our Under 16B coach Blair Brownless on their selections.

The feedback from the organisers about our boys was extremely positive & they particularly complimented the boys on their unassuming leadership & sense of fair play.

Sam Collins & Chris Ransom are also to be congratulated for their elevation to leadership positions.

It was a fantastic effort by all the Tasmanian boys & they are all to be congratulated on their efforts.

Here are some highlights from the boys;

Connor Smith:

The time away was wicked! I got to play against some of the best players in my age group. All of the coaches were awesome! They helped all of us in many ways! My team mates were fantastic!

Sam Collins:

The national school sport Australian championship in Sydney was an amazing experience. It was an honour to be named co-captain, but even better to be going away with two of my North Hobart team mates. Tassie placed fourth in the competition. We were the first Tasmanian rep team to meet Victoria in a final, in 22 years. I was very proud to represent my club and my state and it was an experience I will never forget.

Jacques Barwick:

It was an honour and I really enjoyed representing Tasmania in the U12 State Team. The level that we played was amazing. I along with my team mates have made great friends along the way from all over. I know this has been a great opportunity and a huge step forward into a great football career. I'd also like to thank my club NHJFC.

Chris Ransom:

So many highlights, a fantastic experience, it was a real privilege to get named in the best players in the first two games against the ACT & Victoria.

Baxter Norton:

It was an honour to represent my state, I learnt a lot, had a great time.

Keren Howlett:

Was an awesome trip with many highlights, thank you for the opportunity.

Under 15 State Reps - NHJFC representatives - Blair Brownless (Coach) Keren Howlett, Chris Ransom and Baxter Norton

Proud Supporters of NHJFC

Under 12 State Team - NHJFC reps Connor Smith, Jacques Barwick and Sam Collins

NHJFC Nominee STJFL Coach of the Year: Blair Brownless

Blair is a strong proponent of leadership based programs that assist our young footballers become important contributors to their communities.

He has been & is particularly interested in our inaugural youth leadership program & is enthusiastic about contributing to it on a personal & professional level.

Blair's enthusiasm for all things football is legendary & his easy going manner & infectious love for life makes him a NHJFC favourite.

NHJFC Nominee STJFL Volunteer of the Year: Natalie Loh

Nat is amazingly strong in her beliefs & her own morals & values are in keeping with those of our footy club. She models good behaviour & in turn those in her care model it.

Her positivity is enlightening & her friendly encouraging nature makes her approachable to children & adults alike.

Nat is a working mother of 2 boys, her busy life style is only achievable because of her absolutely exceptional organisational skills. Our club & committee, in particular are the very worthy recipients of her attention to detail.

We are optimistic that Nat will be around our club for many years to come. We would like for her to become an official member of our committee, BUT regardless of that occurring we are fortunate in the knowledge that Nat will always be a productive, passionate, selfless member of our football community.

NHJFC Nominee STJFL Leader of the Year: Jim Ransom

Jim has a huge capacity to give, of himself, both in a material sense & emotional sense. He genuinely cares about people around him & is invested in the youth in his care. He believes that everyone has something to offer & that we as a footy community have something to offer everyone.

He constantly updates his skills, questions his, mine & the clubs practice to ensure that we don't fall behind the rest & that we are delivering the best care, programs & message to the young people in our care.

A leader is one who knows the way, goes the way, and shows the way. (John C. Maxwell) Jim epitomises this quote every day & in every way & we are proud to have him at our club & in our community.

10 Blue supporting our feeder club Hobart City Football Club

In 2013 our Under 18 Blue team took out the STJFL premiership in an exciting & hard fought contest.

The under dogs going into the game, their gritty determination was an absolute highlight in a highly contested game.

The whole Under 18 group (incorporating Under 18 red) epitomised the commitment, mateship, loyalty & belief our club is based on & they are all to be commended for adhering to their mantra; two sides, one team! Congratulations to Adam, Rick, Jamie & our boys; STJFL Premiers 2011, 2012, 2013, a phenomenal effort

Jack McCulloch

In an exciting count at Tattersall's Park, North Hobart's Jack McCulloch took out the 2013 Under 18 Beakley Medal for the Under 18 STJFL competition. The Beakley Medal is awarded to the Best and Fairest player in each STJFL age group, as voted on by the field umpires. "Jacko" polled 6 best on grounds in his tally, which he won playing as a medium size onballer/forward.

Jack's win topped off a great year for the team, who took out the premiership in emphatic style against Sandy Bay, and for Jack, who was the captain. This was the third premiership in a row this team, and Jack, have won.

Jack is a great leader on the ground who uses his voice well, but also leads by example with his ability to break packs and kick clutch goals, which was evident in the Grand Final win.

Jack has been a loyal and proud NHJFC player since he started playing footy and is now pursuing his football career at our pathway club, Hobart City Football Club, in the Tasmanian State League. Jacko made his senior debut for this club in 2014 and the North Hobart Junior Football Club wish him well with his football future. The NHJFC family will watch his career closely.
