Hobart

# President's Report

Our Club entered the 2015 STJFL season with 12 junior sides, 5 youth sides & of course a great Auskick program - I hope everyone has had a great season.

We have had some very successful on-field results in recent years and this season is shaping up to be no different. At the time of this report both our 12's, 13's, 14's, both our 16's & our 18's are about to enter the finals series. It is just reward for the hard work & commitment of players, coaches, support staff & committee of the NHJFC that so many of our groups will feature well into the finals weeks.

On field success is a fantastic reward but it is never achieved without the same hard work off the field. The real measure of success of any Club is what transpires off the field – the culture, the family & community support and satisfaction and the much quoted 'enjoyment factor'

To all our teams, I say thank you for your outstanding efforts during the year. Thank you for the way you played the game, and thank you for playing in a spirit in which you did your club proud as well as your parents and yourselves. To all our coaches and managers, support staff & others who volunteered in some capacity, thank you for your ongoing efforts during the year. The success of our Club and the enjoyment our players receive each weekend is due firmly to you.

At season end, many of our players will enjoy many & varied accolades & awards– I acknowledge all of these achievements. However, while some players will receive recognition of their specific performances, footy at the end of the day is a team game and all results are contributed to by everyone in the team. Every player is to be congratulated on their effort and performances across the season – you all deserve equal commendation and attention from your coaches and managers and from us as a Club. Thank you again, and I hope you all enjoyed your season.

From the grassroots level to the professional level, the positive impact a coach can have on a child is undeniable. It's more than wins and losses; it's about developing a child into a healthy, self-confident adult through the wonderful medium of sport. Thank you to all coaches that dedicate their time to positively impact the youth of our club.

Wally Arnott, Chris Ransom, Luke Williams, Kerry Nicolle, Brad Hastie, Matthew Cracknell, Ben Vankraanen, Matt Ferguson, Heath Wood, Paul Payne, Nathan Cowburn, Anthony Bosworth, Todd Ferguson, Warren Walker, Steffan Waight, Adam Doran, Blair Brownless, & Jim Ransom, You are appreciated.

Our support staff are second to none & the workload of our committee is halved by their day to day efficiency & contributions; Brad Arnott, Sally Feldmanis, Alison Hooker, Bridget Lange, Alison Williams, Ange Carmichael, Michelle Reeve, Todd Arnott, Troy Goldner, Katie Cracknell, Amanda Bosworth, Paul & Simone Ashby, Rebecca Payne, Celina Sargent, Brendan Griggs (Umpire Advisor), Natalie Loh, Kevin & Kim Williams, Sharyn White, Jamie & Melinda Roach, Tracey Smith, Lynette Lapham, Raymond Becker, Paul Gourlay, Brendan Loveless, Jake Doran, Jack McCulloch, Dave Doyle, Kevin Anders, Michael & Tracy Cowie, Mark Caswell, Todd Curtain, Gray Coleman, Rod Dickens, Suzi Ransom and many, many more you are essential to the continued success of this club & we can't thank you enough.

I need to take time to pay tribute to a fantastic Committee. My time as President has been made ridiculously easy by the tireless efforts of an amazing group of people who continually and unselfishly work extremely hard for our Club. I cannot speak highly enough of our Committee and can only emphatically state that our Committee is very committed to improving the opportunities and environment afforded our players, and their families, both on and off the field.

Huge thanks to;

- Anthony Bosworth (Vice President & Junior Coaching Coordinator)
- Bernie Garrett (Secretary)
- Michael Bomford (Treasurer, Registrar, Public Officer & website Coordinator)
- Ange Barrett (Committee Member, JTO Kiosk Coordinator, Merchandise Coordinator & Fundraising Coordinator)
- Tim Lockett (Committee Member)
- Tracey Smith (Committee Member & Jumper Coordinator)
- Amanda Bosworth (Committee Member)
- Lynette Lapham (Committee Member & Jumper Coordinator)
- John Gibb (Committee Member & Football Steward)

This Club rises and falls on the backs of those who volunteer their time. If you have the time and the ability to contribute then I ask you to consider putting your hand up for the Committee to ensure the longevity of the Club in the year and years ahead. Much of the hard work has been done in progressing down that path – all we need are the resources and people to keep things moving along.

Have an enjoyable “off season” and I hope to see you all again in 2016

Foot note:

Regardless of the embarrassment it is going to cause my family, it must be time to mention the sacrifice they make every footy season (and off season) so I can continue in this role. The time the role takes, does impact on our family life & does intrude on our family time, so thanks to Adam, Jake, Matt & Zac for your endless patience & understanding of what this role demands & for supporting me to meet those demands, (Oh & helping me with whatever & whenever I ask, you are all awesome!)

*Thanks Jules*

## Hobart City Demons and NHJFC

The Hobart City Demons have set about in 2015 to start engaging with the North Hobart Junior FC on a more regular basis with the emphasis on assisting coaches and players development. Whilst we still have a long way to go in where we as a Senior TSL club believe we should be, season 2015 saw the Hobart City Demons set what will be the foundations in the future.

HOBART CITY  
DEMONS

Hobart City Demons Junior Development Officer Ryan Matthews and General Manager / High Performance Manager both engaged with junior teams on request from the junior coaches and spent numerous sessions with U12 – U16 throughout the season. The Hobart City Demons also started the concept of the Junior Club Blitz which saw groups of Senior and Development players head out on a Sunday morning to support and assist with the junior games. Whilst this happened twice this year we are looking to grow this concept in the future.

Both Ryan and Kane also attended the Leadership program with Ryan presenting to the leaders on preparation before the game.

The club was keen to support the junior club in the Ronald McDonald days in 2015 and will continue to support these in the future with Community Engagement being a key pillar in the Hobart City Demons strategic plans.

The Senior Club in conjunction with major partner DJ Motors is currently looking at opportunities around setting up junior club development programs like the Demons Academy and Demons Development School over the off season, and looking at ways we can support the junior coaches in our region. The Hobart City Demons have formed a great relationship with the DJ Motors family who are keen to assist in developing the Heartlands to be the strongest zone in the state.

We all look forward to working closer with the North Hobart Junior Football Club going forward and are always open to suggestions on how we can support the club.

Auskick

# nab AFL Auskick

Auskick 2015 was a very successful year after a 2014 wash out, with between 20-30 children from the ages 5-8 years old. The season was combined with Friday night and Sunday morning sessions, the auskickers got a lot of practice and game time.

The auskickers spent the sessions learning the basic footy skills and growing their confidence. over the year they learnt skill development such as kicking, hand balling, marking and picking the ball up off the ground. We played games such as dodge ball, skill relays, footy matches and practised goal kicking.

A big thanks to all the auskickers who participated, the parents who have helped out, the Friday night coach Nathan and Team Manager Sally. You all made the season so much easier and so much fun for us.

Hope you all have had a great year like I have and hope to see you kicking some goals at North Hobart in 2016.

Thanks Wally & Brad Arnott

IT'S HOW WE CONNECT

# Under 8 BLUE

**Back Row: Chris Ransom (Coach) Leo Hooker, Isaac Gadd, Jackson Vukic, William Hickey, Darcy Pamplin  
Cooper Oates, Alison Hooker (Team Manager)  
Front Row: Toby Lange, George Lewis, Oliver Cunningham, Tom Prokopic, Miller Barwick, Patrick Arthur  
Fraser Howard, Jed Bricknell**

The Under 8 Blue this year are a fantastic, hard working and fun group of boys who have made their families, club, community and most importantly themselves very proud. Through out the year the boys showed commitment, lots and lots of energy and just the willingness to give everything a crack. At training the boys worked hard to try and develop their skills and have fun in sometimes trying conditions.

In the games the boys always tried their hardest and didn't give in. The way they shared the ball around and always showed sportsmanship is to be commended for boys so young.

I would like to thank my two excellent team managers Allison Hooker and Bridget Lange as without them I would have been in one heck of a pickle. Whether it was time keeping or organising who is to bring the oranges I would like to thank these ladies very much for all they did. Also a big thank you to the dads who helped out goal umpiring and field umpiring, this gave me time to help the boys in the games and made my job a lot easier. A special thanks to Joe Hooker also for taking over coaching for a few weeks while I had other commitments.

To the boys of Under 8 Blue I thank you for such a wonderful year and remind you to always try and get better as you are a very talented bunch of young footballers.

- Under 8 Blue 2015:
- Oliver: Pocket Rocket who loves a goal
- Jed: A centre clearance specialist who runs hard both ways
- Miller: A tough player who reads the play well and gets in the right position
- Darcy: The biggest leap in the side, loves a crowd
- Toby: A natural leader on the field, never gives in
- Isaac: Speed machine who loves to run and carry
- Cooper: Tough little warrior who always gives his best
- Fraser: A highly skilful player who always finds the ball
- George: Handball freak, never misses a target
- William: Great kick of the ball who uses it well
- Leo: Contested ball gun, never loses a contest
- Patrick: The biggest heart on the team never gives up and always finds the ball
- Tom: The big fella, strong grab and silky skills
- Jackson: Mr Courageous, always hard at it and hunts the ball like a tiger.

**“Go Dees!!!”**

# Under 8 Demons

The Under 8 Demons had a fantastic season, consisting of 13 boys many playing their second season with North Hobart.

The boys were very committed and keen to learn at training. I have seen much improvement in the boy's from the start of the season to the end. The boys are an outstanding group which I have had great pleasure in coaching and assisting in their development.

I hope that all the boys continue to play football because each of them has something special to offer. Special thanks to Justin Miller for helping with coaching, umpiring and training and also to Jack Nicolle and Todd Arnott for their help at training.

Would also like to thank Michelle Reeves for her role as team manager. Thanks also to all the parents who helped out at games and made my job a lot easier, finally a huge thanks to all the boys, I really enjoyed watching their faces after a great kick, mark or a goal and the enthusiastic way they sang the team song after every game I wish you all the best for your footy.

**Bring on 2016.**

Back Row: Justin Miller (Coach) Dylan Reeve, Lucas Atkinson, Archer Yaxley, Ashton Barr, Ashton Smith, Ewan Anderson  
Kerry Nicolle (Coach) Michelle Reeve (Team Manager)  
Front Row: Jack Miller, Jack Gilligan, Max Lakos, Luca Smith-Begovic, Oliver Nicolle, Oscar Hall, Justin Rolle

# Under 8 Red

The NHJFC under 8 Red team had a fantastic season. Through many highlights, lowlights and funny moments the boys formed a strong family connection between not only each other, but also with the coaching staff.

The season was thoroughly enjoyable, not only must credit go to the boys but also to our fantastic officials. A huge congratulations must go to Allison Williams & Angela Carmichael for their fantastic efforts in managing the team. I also had some great back-up on the coaching side of things with Brett Williams & Ben Smith being an amazing support in helping the boys develop as players through both training and on game day. A huge thank you must also go to all of the parents who goal umpired, supplied oranges and more importantly supported the boys all season on both training nights and on game day!

**Back Row: Ange Carmichael (Team Manager) Ben Smith (Asst Coach) Gabriel Tichanow, Blake Kelly, Israel McGushin Kaisei O'Keefe, Max Francis, Zak Carmichael, Luke Williams (Coach) Brett Williams (Asst Coach) Allison Williams (Team Manager)**  
**Front Row: Charlie Smith, Ethan Dunne, Evan Williams, Taj Queen, Oliver Dillon, Riley Hazell**

### Pen Pic's written by coach Luke Williams:

**Zak Carmichael** – Being a prolific ball winner, Zak had an outstanding season. Each week he shows great courage, sportsmanship, and strives to play and train to the best of his ability. Zak is a natural leader and displayed this through both training sessions and on game day by continuously following up on his efforts to get the ball into the best possible position for his teammates.

**Gabe Tichanow** – Gabe is the type of player you love watching play football. He is tough, determined and plays the game in great spirit. Gabe showed great signs of bravery from his first training session and continued to display this on Sundays by putting his body on the line to take some spectacular marks and deliver the ball to his teammates with his long kick.

**Evan Williams** – Evan, who is a football fanatic, had an outstanding season, playing some of his best football in key positions. Evan's pressure in the backline was second to none during the season and when swung forward you could always guarantee a "sausage roll" as Evan would say.

**Blake Kelly** – Blake had a sensational season this year, winning most of his football through the midfield. A very hard worker, Blake has an outstanding kick, especially on shot for goal.

**Riley Hazel** – Riley was brilliant this season for the under 8 Red team. Having his breakout game on the Ronald McDonald Gala day. Riley won the best on ground medal. From then on Riley continued to attack the football and didn't let anyone stop him on his way.

**Kai O'Keefe** – Kai was perhaps the general in our team this season. Being able to play all positions very well, Kai had a great season taking some very strong marks. He is great down back, silky skilled in the midfield and wins the football in the forward line.

**Charlie Smith** – Charlie is the quiet achiever in the team. With a very strong kick, Charlie impressed in all positions especially through the midfield. Although he may not be the loudest in the side, Charlie shows great leadership through the way he plays the game, giving his all each week.

**Israel McGushin** – Izzy is a very talented footballer, playing some of his best football in the forward line this season. Izzy has a lovely long kick which will hold him in good stead in future years.

**Taj Queen** – Taj showed some very promising signs this season. His explosive run through the midfield was exciting to see, as were his leaps down forward.

**Oliver Dillon** – Oliver 'twinkle toes' Dillon improved dramatically as the season went on. Being great under pressure, Ollie had some brilliant plays throughout the season including some great running goals.

**Max Francis** – Max is very much a team first player and thrives on playing for his mates. Having started many handball chains this season, Max's skills by hand is first class.

**Ethan Dunne** – Playing some of his best football in the midfield, Ethan had some brilliant games this season. Ethan has a beautiful long kick and a great pair of hands which will hold him in good stead in future years.

All the under 8 Red boys formed a very tight group this season and it was evident in the way they trained and played the game. The boys should be immensely proud of themselves and will continue to be a very competitive side next season.

# Under 9 Demons

Season 2015 for the Under 9 Demons was amazing. To see how far they have all come, from the beginning of the year to now has been truly remarkable.

Some of the footy that has been played by these boys has been very impressive, incorporating what has been taught and practiced during training. It's great to know that they are listening to instructions and concentrating enough during games to be doing as they've been taught. As a coach, that is all you ask of your players. Although the season is over, I'm very much looking forward to getting back together next year to take our game to the next level.

Also a huge thank you to Todd Arnott and Troy Goldner for all your help throughout the season. I certainly could not coach the team the way I have without your generous efforts at training, game days and with off-field administration requirements. Your help is vital and much appreciated.

Well done to all the boys and their families on a great season. Go Dees!

Players Back Row: Darcy Berry, Charlie Goldner, Jack Bremner, Ashton Hadfield, Thomas Arnott, Oscar Lucas  
Nicholas Keating, Ashton Smith

Charlie Hastie, Cooper Gillam, Lachlan Browne, Henry Balmforth, Harry Caswell, Brock Sullivan, Brad Hastie (Coach)

# JB Electrical

# Under 9 Red

2015 was a terrific year for the Under 9 Red boys.

The team gained a lot of first time players, but luckily it only took a few weeks for them to develop into a great little team.

This year, it was pleasing to see the boys start thinking about their footy and their decision making continued to improve every week.

Their attitude and team play was also very pleasing and after a few weeks they realized they were part of a team and it did not matter who kicked the goals.

The season would not have run as smoothly as it did without our great team manager Katie who had everything organized perfectly. Thank you to Chris Madsen who umpired every week and to all the other parents who did the various duties on Sundays and helped out on training night, it was very much appreciated.

Finally, thanks to all the boys for a great season, I know I enjoyed it and hope they did too. It has been great to watch the boys develop their footy skills but it just as satisfying to see them make new friendships within their team that may even last a lifetime. I hope you will all turn up again in 2016 for another great year of footy.

*Matthew Cracknell*

Back Row: Archie Jackson, Ryan Wilson, Harry Fulton, Luke Francis, Josh Madsen, Hugh Giblin, Angus Cracknell, Liam Wighton

# Under 10 BLUE

Back Row: Ali Chamali, Jordan Croft, MacWilliam Walker, Riley Wood, Axel Allanby, Axel Oates  
 Front Row: Rebecca Payne (Team Manager) Jesse Hinds, Declan Page, Liam Marshall, Majouk Costa-marial  
 Isabelle Payne, Ollie Hughes, Ryan Smith, William Wood (Ass. Coach) Heath Wood (Coach)

As yet another season ends, 2015 for Under 10 Blue started with some new players, Crofty and Aka, who fitted in right from the start.

It was also good to see the return of most of our players from last season. It has been great to see how much they have developed as a team, even if we were a bit under prepared at the start, the skill level has improved as the season has progressed and now as a team they are learning more about team play and how to move the ball more efficiently.

Hopefully they are looking forward to the next season as I am. I'd like to thank William Wood for his help this season with training and game day and also to Rebecca Payne for help as team manager, thankyou without help things don't run smoothly. Thanks to all the parents and sisters who helped out this season, Susan, Roger & Emma Hughes + Shane Marshall and Justin Oates, Home games wouldn't have happened without you all.

“Bring On 2016!”

*Woody*

# Under 10 Demons

Another year done and dusted for the under 10s Demons, and what a year it has been. This year we gained 4 new players - Jett, Oskar, Thomas, and Ashton. These boys have fitted in fantastically well.

At the start of the year we had a team bbq and talked about which things we would be working on for their development. The few areas I highlighted that I wanted them to really work on was tackling, being first to the ball, manning up and the most important thing team work.

From that day on the boys have really worked hard at training and in games, and have come along way in their development.

It's been a pleasure to coach you boys this year again, you all should be proud of yourselves on the year we've had. Great work team!

I'd like to say a big thank you to all the parents who have helped out during the year, thanks to Nathan for umpiring most games, thanks to Anthony and Ryan for taking the boys when I couldn't. The biggest thanks on behalf of the whole team goes to our team manger Amanda, the emails/messages you send out each week and the organising you do has made this year go very smoothly.

I asked the boys a question: Why do they like playing footy for North Hobart? Their answers are below:

Xavier Johnson #2

I play football for North Hobart because 2 Great Uncle 's follow the Demons and I learn skills with fun.

Cayden Bosworth #8

Because of the sportsmanship that is shown.

Jett Kean #14

I like playing for North Hobart because I get to play with my school mates.

Harry Van Kraanen #16

Because it's my local team and I love playing footy.

Leo Costelloe #17

Because I like playing as a team.

Dylan Williams #26

Because I like my team I play with, they have great sportsmanship and awesome players.

Oskar Howard #27

Because its a great team and club and I have made new friends and I look forward to playing next year. And I have a good coach.

Henry Thomas #28

Because everyone in the club has a good personality and are all great mates.

Remy Burgess #30

They're a great club and when you get a goal your team mates get around you and celebrate.

Clancy Gibson #43

Because its a good club with nice people.

Henry Yaxley #46

Because you make lots of friends and it's a good club to be at.

Thomas Hickey #47

Because I love playing with my mates and it's a great team with good sportsman ship.

Ashton Kopper #49

Because I knew I would make some new friends

Mackenzie Winch #31

Jack Stevens #25

Well done again boys, I can't wait for next season..

Back Row: Leo Costelloe, Henry Yaxley, Henry Thomas, Clancy Gibson, Oskar Howard, Remy Burgess, Jack Stevens

# Under 10 Red

What a great season was had by the under 10 Red boys in 2015. With 12 of the 13 players returning from the previous season and many having their 3rd season together it was evident that the boys have benefitted greatly from this with the result being a huge increase in team work and willingness to help each other on game day and at training. Our lone addition to the side this season, Oliver Williams, knew many of the boys before the season and to his and the other boys' credit fitted perfectly into the team.

With the combination of natural development and all the boys' willingness to not only train but work on both their strengths and weaknesses at training, there was a very big improvement on what the boys are now able to do in comparison to previous seasons. This was not only noticeable to me from watching the boys at training but also to all who came to watch each game and see the great results they were able to achieve as a result of their improvements in skill and teamwork.

I would like to thank all the boys listed below for making the 2015 season such an enjoyable one;

**Will Ashby:** Great mark and very reliable kick. Got better and better the longer the season went.

**Jewd Careless:** Big improver in 2015, some of his marking a highlight. Always looking to give off to teammates.

**Ayrton Cooke:** Silky skills especially by foot, brings other players into the game with his passing and great vision.

**Jensen Cooke:** Another player with excellent foot skills and deadly around goals. Had a great season.

**Riley Ferguson:** Very strong, excellent mark and long accurate left foot kick. Also a really good tackler who had a great season.

**Krystian Jankowiak:** Another big improver who never stops trying and is learning all the time. Loves a goal.

**Luke Moore:** Great skills, very mobile and works hard, always listens, plays well every week, a dream player to coach.

**Jack Pritchard:** Massive improvement in all aspects of his game, now one of the most consistent players every week.

**Oscar Pritchard:** Fast and determined, long kick and great tackler. Never stops running and trying. Has a big future if he sticks with it.

**Hugh Sansom:** Very consistent season, great skills, another who loves a goal, getting better by the game.

**Sam Vinen:** Skilful and consistent player who never stops trying to improve, can do the unpredictable and another with a bright future.

**Mark Wild:** Tries really hard and has improved his kicking and general skills. Regularly gets amongst the goals.

**Oliver Williams:** Fantastic addition to the side, loves to run with the ball and then kick or set up goals.

I would also like to thank all the parents and extended families for getting the boys to training and games, assisting with all the duties on game day and for their great support throughout the season. Special thanks to Simone and Paul Ashby for their hard work as match managers again this season and also Scott Vinen and Aaron Williams for umpiring.

The season has seemed to have flown by, I look forward to all the boys returning again in 2016 with the same enthusiasm and great attitude in what promises to be another exciting season.

2015 saw the merging of the three Under 11 teams into two with the Demons amalgamating with North Hobart Red and Blue. The merge proved a little disruptive with the ex-Demons having to get used to my 'go hard or go home' style of coaching! It didn't take long though and we were underway making new mates and playing some great footy. This season has been both challenging and exciting as we've all adapted to a harder, faster paced game with larger sized grounds and the removal of zones. While we have really concentrated on developing individual skills the best games to watch have been the games where the boys play for each other, shepherding, running and talking to each other on and off the field. I'm seeing the emergence of some real leaders and it's exciting to think what's in store for the boys in the years to come.

I think I say this every season but this season in particular has flown by. Highlights for this year would be the support of the Hobart City Senior players getting along to games and taking training sessions. The Under 11s also got to experience Friday Night Footy participating in a Guard of Honour and heading into the Hobart City club rooms for the pre match pep talk and half time roast. Those who managed to brave the icy conditions were rewarded with a Hobart City victory in what proved to be a really tight game.

I have been very fortunate to have the support of a great coaching team with the assistance of Garry Smith (former Coach of the Demons), David Allen and Aaron Broadby. I couldn't have done it without these guys. Likewise we have some great parents on our team, some football greats in their own right, who are always willing to assist wherever they can. Thanks to everyone for getting in and helping out. Junior sports are reliant on parent help and we are fortunate to have a great group of people around us. Thank you also to the many grandparents and family members that come along to the games and show their support, it's great to see. Outside of football our team have worked hard behind the scenes to raise money for Team Harris Hobart, Alexander being the cousin of our star forward Liam. To date we have raised over \$3000 for the Harris family. This has been a real group effort with our families baking cakes, selling sausages and knitting beanies. It's an awesome example of what one team can achieve and goes to the heart of what footy and our club in particular is about.

I've personally really enjoyed this season and hope the boys have too. These boys are a great bunch of kids who have represented their club and their team on and off the field, I am proud of them all and the young men they are becoming. Hope the boys enjoy the off season, pre-season starts soon...

**Nathan Cowburn**  
Coach

# Under 11 Red

2015 has been a fantastic year for the REDS. We started with the fresh injection of seven new boys which we inherited from last years 3rd team. They have been a huge asset to our team, not only on the playing side but because they are all great kids.

As a whole we have had a terrific year. We have lost a couple of games throughout the season which is not a bad thing, but the boys were always positive and got over it pretty quick.

As a coach all you want to see is improvement, good sportsmanship and a great attitude. I can honestly say my team had all those attributes by the bucket load. All up it has been an enjoyable season that I have shared with 18 wonderful young men.

I'd also like to thank all the parents who helped during the season. Whether it was the canteen or orange duties nobody disappointed. Special thanks to

- Strongy for goal umpiring all season.
- Nicko for doing the team stats/paperwork every game. Griggysy for being a remarkable umpire, and
- Pete for being my assistant/runner all season.

A HUGE special thank goes to Celina (and Brendan) for being the team managers. Celina went far beyond her duties. Always on the front foot, kept everybody well informed and organised things like clockwork. I had to worry about nothing except coaching!

**THANKS for a GREAT year.**  
**GO the REDS!!!**

Andrew Smith, Jack Cowburn

Front Row: Liam Bosworth, Jack Marriott, Dylan Cooper, Haidar Alnasser, Cameron Korn

This year saw the team play for premiership points, It didn't take long for the boys to realise that they were going to be more than competitive with wins against both Sandy Bay sides in the Gala Days which were the first times we had beaten either Sandy Bay side.

Over the course of the season our team were competitive in every game, with our biggest loss being 30 points, whilst we came within 19 points of beating Brighton Blue who had never been beaten nor has it till now. Through our losses, we learnt where we were compared to the rest of the competition, and where and how we needed to improve to become the best that we can be. At the end of the roster season we finished 6 out of 19 teams with the other North Hobart team percentage above us in 5th.

The boy's skill sets continued to improve and by season end, improvement could be seen in every player, the main thing we all noticed were the confidence levels across the team starting to develop.

I know the boys want to improve and as long as that is the case I am sure they will.

The one aspect I enjoyed most this year was watching the enjoyment on the boys faces when they knew they played well and the team had won, they certainly know how to burst out the song "It's a Grand old flag" On the flip side you could tell the disappointment on the boys faces when they hadn't played as well as expected, this shows that they care about what they are doing and I know they will learn from those few times.

This season I had a lot of help which was appreciated immensely, firstly I would like to thank Kevin Williams for undertaking the Assistant Coach Role, it is an essential position for the coach to have someone who he can rely upon to help motivate, teach and care about what we are all trying to achieve with the boys. I also grabbed the opportunity to engage Kevin's wife Kim as my Team Manager who did a fantastic job of organising everything and everyone. On game days and in particular at training the assistance of Jake Cowburn was a fantastic help. I would also like to express my sincere thank you to Cameron Brown and in his absence Mick Shiel for their field umpiring duties they performed every week and also Michael Fracolossi for his weekly goal umpiring duties. Others I would like to thank are Tanya Rolle as the First Aid officer, Corrie Smith who undertook the Interchange Stewards role and Jon Cooper for his work as runner. For all those others that helped in some capacity THANK YOU.

As I write this I am hoping the boy's season continues for as long as possible in the finals, the teamwork the boys play with is a fantastic asset, and if they continue to develop I know they will acquit themselves well.

I look forward to seeing their continued development.

***Anthony Bosworth***

# Under 12 Red

## Banjos Moonah

Under 12 Red has had a big year this year. We lost seven of our players at the end of last season along with our Team Manager who jetted off to Queensland. Thank you and farewell to Kate & Connor, Lucas, Daniel, Flynn, Darcy, Isaac and Hunter. Hopefully we'll see some of you again! With the loss of approximately one third of our team came our first loss in five years. Although disappointed, the boys handled this extremely well. However, it is rumoured that some of the parents had a tear in their eye.

With changes to our team came the opportunity to welcome new players. Thank goodness for Ed and Jackson who were able to bolster our numbers. We would also like to thank the boys from the U12 Blue team and the U11 teams who filled in for us throughout the year. An extra big thank you to Max, Jono and Jacob who played enough games with us to qualify for finals. Speaking of finals ... we have high hopes.

We would like to congratulate the boys (Tom, Oli, Sam, Dom & George) who were selected to play in the U12 southern blue / gold squad. This was a terrific opportunity for them to play more footy, meet new boys from other clubs and have a chance to be selected in the Tassie team. Well done to Dom who was selected in the state squad and George who made the final team and participated in the School Sports Australia competition in Geelong.

We have lots of people to thank ... the most important of course is our coach Todd (aka Ted) who "gives everyone a go, boosts our confidence and tries really hard not to swear". However, now we've reached the under 12 age group we realise we need lots of adult help to make our team work. So we would also like to thank Sharyn (our gorgeous Team Manager), Rick (our calm and consistent field umpire), Marty (our beefy runner), Suz (our high heel wearing first aider) and Pete & Jase (our Ground Managers in training). Thank you also to the U12 and U11 coaches who have made their boys available to play with us, and the club's committee who give us a competition to play in.

And lastly, thank you to our parents who support us and cheer us on!

Back Row: Todd Ferguson (Coach) Oskar Turner, Jackson Gill, George McLeod, Dom White, Locke Carmichael  
Ed Reynolds, Sharyn White (Team Manager) Rick Loring (Asst Coach)  
Middle Row: Jack Treloar, Connor McLeod, Tyler Casey, Tom Ferguson, Oli Pritchard, Fletcher Loveless, Sam Berezansky  
Front Row: Ashton Read, Patrick Loring, Harrison Triffet, Max Marsh

# Under Thirteens

**Airport**  
UNDERCOVER PARKING

The Title defence started against Sandy Bay on the 19th April at Queenborough oval with 5 new players joining the club and 8 players missing from the 2014 U12 inaugural premiership team, with Sam Cosgrove returning to play after injuries only allowed him a handful of games in 2014 and Josh Dawes after a year away from the game, there were two players transferring from other clubs, Charlie Meadows from Hobart JFC and Lochie Geale the Clarence JFC, we also had two new players who hadn't played team football before, Thomas Beswick and Tom Vallerine, in all our numbers totalled 23

In 2014 our game plan was built around the teams speed & skill, 2015 proved to be a challenge as we lost 2 of the first 4 games and 5 games in total from the 16 roster matches. We realised early, that 2015 wasn't going to be as easy as 2014 and hard work and practice was needed if we were to defend our title. Our team hadn't grown at the rate as some of the other teams, our players were undersized and unprepared for the change and challenges from the opposition. Together we modified our ball movement and changed our game plan to play to our strengths. Our games throughout the season have not been consistent but we have had 4 very impressive games where we all worked hard, played to a plan, attacked the ball and played a style of game where we controlled the play. After one particular game we received feedback from AFL Tas scouts that our team moved the ball, run off half back, spread and changed direction better than the U14 games they had watched. With the Final series about to get underway, we should be confident in knowing if we play our best football it is good enough to win the title in 2015, but it will take a team effort for this to happen.

I would like to thank Team manager Tracey Smith, for her ongoing support, hard work and for keeping me organised, Melinda Roach Medical Officer, who is ready and waiting to strap any ankle at any time, Tam Norton time keeper and interchange steward. Plus all the parents who helped with Ground Manager & Goal Umpiring duties and the match day support from Mark Kruene and David Collins. Special Thanks must be given to Mark Kruene, for the Kruene Chronicle every Fridays Must read report on the week that was and his expert prediction for the upcoming match.

Lastly A Big THANK YOU to Assistant Coach/ Runner, Jamie Roach, who once again was a great support to me and the team. We had many phone calls throughout the season discussing our boy's growth and development and the opposition match up, 88 minutes was the longest call on cold Friday night.

Cheers all and hope to see you all back for 2016

*Regards Warren Walker*

Front Row: Jono Gourlay, Sam Becker, Blake Waight (Captain) Sam Gowans, Jack Hills

After a fantastic end to the 2014 season, it was great to see 21 players turn up to the first training run in December of last year. Preseason started in full swing in late January with the good numbers continuing throughout the season. On the track all the boys worked hard on their fitness and ball skills .We welcomed Baxter Lewis, Jack Hills and Rohan Wright to the team with the boys fitting in straight away. Highlight of the preseason was a Sunday training run at Redbanks with all the boys and a few parents completing the mud run; fun for the boys but not so much for the parents...

The season has been fantastic so far with some very good wins and a couple of narrow losses making very even competition. Pleasing aspect from a coaching point of view is everyone is contributing and continuing to improve .The boys are stepping up and taking on new roles in the team with an exceptional willingness to listen and follow instruction enabling them to reach their potential. We are all looking forward to a tight finals series approaching and hoping to finish the 2015 season as strongly as the 2014.

We would like to thank Lynette Lapham (team manager), James O'Neil (runner), Paul Gourlay (first aid), Bernie and Steve Garrett (time keeping/interchange), and all the other parents that have helped the season run smoothly.

*Boris & Steff*

# Under 16 Blue

The NHJFC Under 16Bs began their 2015 season with a few pre-Christmas training runs under a new coaching group of Adam Doran, Brendan Loveless, and two Hobart City Demons players in Jake Doran and Jack McCulloch. The early sessions were aimed at getting to know the guys before we began training in full swing mid-January.

The focus from the start with the group was about building up a solid fitness base matched with skill development, both generic and for individual needs whilst promoting a team first attitude and enjoyment for the game. All the boys embraced the training and although at times found it difficult continued to support each other and applied themselves to learning the new game plan and style we wanted them to play.

A training camp/day in March at Primrose Sands was a great day where all players competed in teams for points in a mixture of events through the dunes, on the beach or in the water. This is also where the group established some team rules and disciplines and was another chance to get to know each other better and get some understanding about how the group functioned and what our goals were for the year.

A variety of challenges have faced the group this year but they faced each challenge the same way which was with a positive attitude and the mindset to do it together. They faced larger, older stronger opponents on a weekly basis and while it was difficult at times their perseverance was something that was admired by all of us.

The group is a really interesting and enjoyable group to coach and we watched them develop at an excellent rate this year. Their application to training and commitment to each other has been the driving force behind that. I

know the four of us as coaches have enjoyed it immensely and although they have caused us a little bit of stress here and there the enjoyment and mateship through mutual respect that we have built is something we cherish.

# Under 16 Red

The Under 16A team enjoyed another highly successful season. The team stepped up as a unit from the Under 16B season last season with the addition of a number of excellent 'recruits'.

Three players from Brighton - Liam Wakefield, Jeremy Percy and Will Muskett - were great additions to the club as were Hugh Jubb from Sandy Bay, Jack Guesdon from New Norfolk and Jesse Gardner from Lindisfarne. Nic Baker, Bailey Nelson, Brady Williams and Seth Jackson stepped up from the Under 14 team which was great to see.

The team continues to play an exciting brand of footy as they transition to senior footy. The team has a wonderful blend of talented midfielders, a very tight backline unit and creative forwards. In fact our senior club Hobart City has many very good players on the way to the senior club. The other pleasing aspect was the growth in leadership qualities displayed by many members of the team. The leadership team of Sam Fros (C), San Caswell (VC), Jack Guesdon (DVC) and Ryan Cowie (DVC) did an excellent job.

### Highlights of the season

- Ryan Cowie & Liam Wakefield selected in the State Un 16 team as well as Baxter Norton, Lachie Plummer and Keren Howlett named as emergency.
- Nic Baker and Brady Williams selected in the State Un 15 team. Nic Baker named as emergency for Australian team to travel to South Africa

### Milestones

Luke Foster & Isaac Sealy	50 games
Sam Caswell, Jordan Kirkwood & Bailey Nelson	75 games
Jesse Garner, Jeremy Percy, Will Muskett & Liam Wakefield	100 games
Ryan Bosworth played game 100 in first week of finals	
Owen Arrowsmith, Damon Curtain & Callum Woodward	125 games

Many thanks to our great team manager Tracy Cowie for organising all that needs to be done. Michael Cowie again fulfilled the duties as medical officer in a very professional manner. Mark Caswell was his usual hyper-active self as runner and midfield coach while Todd Curtain formed a wonderful relationship with his backline players. There were a great number of parents that assisted on a regular basis including Toni Reggett, Sue Fros, Tony Baker, Robert Muskett, Robert Foster and Scott Keeling.

Back Row: Jack Coward, Jordan Walker, Harry Richmond

Second Row: Dylan McGuire, Keren Howlett, Marcus Rickards, Toby Cosgrove, Mathew McConnon

Third Row: Brady Jones, Lachlan Plummer, Dylan Howlett, Joel Butcher, Campbell Dickens, Tyson Walker

Fourth Row: Harry Thomas, Christopher Ransom, Jack Roberts, Alexander Beswick, Jordan Fish, Jackson Webb

Front Row: Rod Dickens (Manager) Jim Ransom (Coach) Raymond Becker (Asst Coach) Caley Gough, Zachary Lucas

During the 2015 season, the under 18 side have built themselves into a really strong unit.

This is a commendable achievement, given at pre-season it was doubtful if we would even field a side. Low numbers at training early in the year had the club worried we would be unable to put together a viable team, so full credit goes to those who stuck with it, as we are now all reaping the rewards of a, so far, very successful season. At the time of writing this, the side are in second position on the ladder and have defeated every side in the competition at least once. Who knows what finals will bring, but we know we are a chance. The team has bonded together really well, which is great, as we had new players, from a variety of places, and new coaches. We rarely fielded the same team 2 weeks in a row, with players going to and coming from 16s and the Development League, and because of this players played in a variety of positions, some finding a home in spots they wouldn't have thought they could play successfully. We are hoping this versatility will help us in the finals series.

Personally, I have really enjoyed coaching this group of boys this year. They differ in age, experience and abilities, but are a respectful bunch who represent their club well on and off the ground. I have learned a lot this year from my assistant coaches, Boris Becker & Gray Coleman. They have been really committed to helping the boys and being able to have 2 coaches of their calibre around the group has been great. Thanks for your efforts this year Gray & Boris. Also thanks to Rod Dickens for carrying out the team manager duties. Dicko is very relaxed and just does the job with no fuss, which is the most a team can ask for. Thanks too Suzi Ransom for stepping into the trainers job. The boys really appreciate having you there on match day. Last thanks to my Mum, Rosemary, for washing the jumpers each week. Much appreciated.

*Go Dees. Jim Ransom.*

**FUJI XEROX** 

### *2015 Memorable Moments*

- Winning the Mackey Shield (first North Hobart side to do this, Dorks!!)
  - Tex's 9 goals against Lauderdale.
  - Richos second half against Sandy Bay at Queenborough.
    - Bangas' warm ups (open the gate!)
    - Boris and Goughy's WWF moves against Clarence.
  - Brady's reinvention as a full back (we all reckon that was our idea)
    - Goughy hitting the post from 1 metre out.
    - The windy game at KGV – best win of the year.
- Bangas' 2 out on the full at the TCA – same spot, same kick, same result, same reaction from the coaches bench.
  - Zac's goal from the centre at The Bike Track.
  - Richo's flannelette shirt training top.
  - Tyson politely knocking blokes over.
- The 12 minute quarter against Lauderdale at North Hobart.
- Coward spending so much time on facebook telling everyone to get organised he forgot to register and couldn't play the first game.
  - The introduction of the running nights – not well liked!

## Cancer Council Fundraisers

After the success of the Hobart City Demons Ladies Day Lunch, a group of our U/16 blue boys decided that they too wanted to show their support of those affected by cancer.

Led by Jess & Zorka, their first thought was to repeat the efforts of the senior teams & instigate a "Pink sock day" for them & 3 other NHJFC youth teams. The date was set for August 2nd & the organising of the socks began. "Lenny" & "Robbo" looked after collating the orders & Susan Roberts ordered the socks & coordinated the payments for around 100 pairs of bright pink socks.

August 2nd came around quickly & volunteers from all areas of the club manned the gates, assisted at the BBQ in the quest for lots of donations for the Cancer Council. Unfortunately the weather was against us on the day & fundraising was halted due to sleet & rain.

Thank you to the players & families of the U/13's, 14's & 16 A's for fully committing & supporting this fantastic initiative.

Their other goal was to raise more funds in the 16B "Shave-Fest". Their inspiration here was none other than their President (me!), after I had my head shaved as part of the fundraising efforts of the Hobart City Demons.

A large number of the boys, their 2 A/Coaches & Gus's dad Jono raised in excess of \$2,500 for the shave & then happily had their heads shaved in front of family & friends at NHO. Several of the boys who were adamant their hair was on their head to stay, joined in the fun & lost their locks in a show of support & team unity. Boys who didn't have their heads shaved still fundraised, making a valuable monetary contribution to the Cancer Council.

Always forward thinking, Hazza Joyce designed & organised NHJFC caps to cover those bald heads & in the meantime raised more funds from their sales.

Bezz, Zorka, Janders, Baz, Gus, Robbo, Jake, Jacko, Lenny, Hazz Loveless, Zac, Jono, Fletch & Jess

Awesome Job boys!

To Emma, (Caswell) your contribution & sacrifice was pretty amazing & the whole club is super proud. (Emma joined the boys & raised some fantastic funds & also donated her very long pony tail)

At the time of writing this report, the fundraising amount hadn't been finalised but I think we could tentatively say \$4,000-\$5,000 would be achievable.

To the boys of this group, we really couldn't be prouder of your initiative & implementation of your goal. The club has always believed that by modelling the right kind of behaviour, the rewards would come. That belief was rewarded tenfold when this group of boys emulated perfectly the type of community spirit the NHJFC are so passionate about.

I give to you the future leaders of the NHJFC community!

## Team Harris Hobart

Alexander Harris is a 17 year old boy from the Lindisfarne Junior Football Club who has had the misfortune of battling a brain tumour over the last 3 years.

The NHJFC & in the particular our Under 11 Blue took on the challenge of helping to reach a goal target of \$40,000 to assist with his ongoing medical expenses.

Alexander's plight was dear to the hearts of many at our club, but none more so than his cousin Liam & his family. Liam is an integral part of our Under 11 blue team & his team mates joined with him to help raise funds to support Alexander.

The Under 11 blue team baked, knitted, & held numerous cake & beanie sales in their quest to help reach the goal target. This amazing group of people raised an amazing total of \$3,000 with still more beanies to sell.

To Nat, Nath, Liam & Jono in particular, congratulations on a fantastic team effort to assist Alexander & Team Harris Hobart

# Community

## Lend a hand to Hugo

“Lend a Hand to Hugo” Foundation is a not-for-profit, registered charity on a journey to raise autism awareness and funds for children with the autism spectrum disorder.

NHJFC has always been committed to giving back to our community & in particular the charities in it that are particularly focused on children.

The opportunity to not only support a charity that fitted our club ethos but also support one of our very own families was a “no brainer”

In early 2014, our very much loved & admired player & Youth Leadership Program participant Luke Williams invited us to join him & his family & friends in the “Walk the bridge” launch of the “Lend a Hand to Hugo” Foundation

From small beginnings, big things grow & now Luke & his amazing “Hugo” team are promoting awareness & raising valuable funds for their charity.

The NHJFC & its families have embraced this initiative by purchasing “Lend a Hand to Hugo” stickers, shoe laces & caps. Luke & his colleagues are currently engaged in a program aimed at our 12-18’s discussing the foundation, its key messages, and also the importance of inclusion, not only in sport, but at school and in the public eye. The key message is to include everyone, no matter who they are or what challenges they may face, especially in the teenage years!

The NHJFC are committed to facilitating the message of this foundation well into the future.

## Jared Brazendale Cup

**HAVING a football game named in your honour is a great tribute to a sports-mad teenage boy.**

Jared was killed in a collision between his pushbike and a ute in Claremont. He was 13.

A Glenorchy Football Club player and New Town High School student, he also had friends in the North Hobart Junior Football Club side, so it was arranged for the (U/16) teams to play a game on the anniversary of his death.

A year to the day since Hobart teenager Jared Brazendale died in a road accident, his friends and former teammates gathered at New Town Oval for the first Jared Brazendale Memorial Cup.

In 2014 in the second year of honouring Jared’s memory, the game took place at NHO as the pre-game to the “Relive the Rivalry Challenge” (This day raises valuable funds for those living with Muscular Dystrophy)

This was such a success that the annual game between NHJFC & Glenorchy Junior Football Club will now take place at this event every year.

Again Medals and a trophy were awarded to the winners of the game, which was played in truly amazing spirit in a fitting tribute to Jared & the Brazendale family.

**IT'S HOW WE CONNECT**

# Ronald McDonald Gala Day

Again in 2015, NHJFC & Lindisfarne Junior Football Club teamed up to raise money for Ronald McDonald House

A beautiful crisp autumn day proved hugely beneficial to both clubs, RMH, the number 1 charity of the NHJFC & the charity Lindisfarne Junior Footy Club have embraced as their own.

An awesome \$2,500 was handed over to the house in the true spirit of "kids helping kids"

Thanks to the Lindisfarne Junior Footy Club, Hobart City Demons, NHJFC Youth Leadership participants & guests of the Lindisfarne Junior Footy Club for your continued support.

# RED SHIELD APPEAL

THANK GOD FOR THE SALVOS

## STJFL Nominations

### NHJFC Nominee STJFL Coach of the Year: **Warren Walker**

Warren contributes to our club outside the realm of his coaching role. He has coordinated our JTO kiosk & is constantly supporting our club financially & assisting where he can with his business interest, transporting boys to various activities on "Walkers Coaches"

He is a consistent & huge proponent of our community based activities & is always willing to assist where his can.

Warren's real strength is an emphasis on team & teaching of discipline, team work & the inclusion of players in creating an environment that they want to own. He spends a lot of time & individual skill & game development, the teaching of fundamentals has always been a priority.

We whole heartedly thank Warren for his generosity

### NHJFC Nominee STJFL Volunteer of the Year: **Amanda Bosworth**

Amanda is a hard working & dependable member of the NHJFC committee & family, her happy, friendly, encouraging nature makes her a favourite to children & adults alike.

Amanda is a working mother of 3 boys, her daytime job involves the care of children (other peoples!), so it's especially amazing that she continues to give outside of what is a hugely demanding career.

We are very grateful to Amanda for her sacrifice of time & commitment to our club & our community & feel extremely fortunate to have Amanda at our NHJFC. We hope to see her smiley face around for many years to come.

### NHJFC Nominee STJFL Leader of the Year: **Luke Williams**

The footy family at NHJFC is in awe of Luke's generosity, care & compassion to so many people, his organisational skills, his capacity to give back to his community, his leadership skills & his amazing success with his foundation "Lend a hand to Hugo".

At the time of writing this year book, Luke is a finalist in the Pride of Australia, Young Leaders category & we eagerly await the result to confirm what we already know, what an amazing young man he is.

Luke has shown maturity, strength & compassion rarely seen in a teenager & shows no sign of slowing in his relentless pursuit to make a difference.

Watch this space for the many more inspirational & extraordinary things this young man can achieve because we are positive there will be more, many , many more!!.....

## NHJFC Annual Quiz Night

Is definitely deemed the calendar event of the year when teams from all age groups battle it out to gain bragging rights for the next year!

On a chilly August evening 7 teams from various age groups converged on Hobart City Demons headquarters to fight for Quiz Night supremacy.

While there was hesitation & angst at some of the more difficult quiz questions, there was no such hesitation in the between rounds games.

Jacqui Collins was a little disappointing in her "Chubby Bunnies" effort, but seasoned veterans in Kev Anders & Malcom McCausland battled it out, with Malcom taking out the honours for 2015.

Malcom pulled a double win & was definitely still revelling in his "Magic Mike" moment that earned him an extra 10 valuable points for his team.

The Winners

In the newly introduced "whip the Cream" game, Raymond "Boris" Becker cleaned up the opposition in an inspiring performance.

Bernie Garrett was streets ahead of Suzi Ransom in the "Orange" game despite Suzi's best efforts to move her balloon to the finish line by any means possible.

On very first online Face Book auction was a huge success & congrats to Glenn McGuinness for securing the much coveted signed Hawks jumper, kindly donated by our very own Max Marsh.

The winners & definitely grinners at the business end of the night were U/11 Red led by their illustrious coach & leader Paul Payne & were deemed "Quiz Night champions 2015"

As usual there were many & varied prizes & our sincere gratitude & admiration to Nat Lo for sourcing the prizes & the following businesses for their donations to our club event

**Telstra Shop Hobart, Lean to Kitchen, Crust Hobart, Harvey Norman, Pipers Brook Vineyard, AMF Bowling, Eliza's by Cripps, Queens Head Hotel, Guardian Pharmacy (Elizabeth St), Hill St Grocer, 7D Cinema, Tasmanian Bakeries, Elizabeth St Food & Wine Co., Escape Beauty Lounge, Aqua Massage Hobart, State Cinema, Bakers Delight Newtown, Winnings Newsagency, Coles Newtown, Woolworths Newtown, Kmart Newtown, Hawthorn Football Club**

Huge thanks to Stu & Nic Cox in their first appearance as NHJFC Quiz Masters, they were fantastic & composed amongst a rowdy & sometimes hard to control room of NHJFC parents & friends.

Cheers to our bar staff, Hobart City Demons young guns, Jake & Jacko for giving up your Saturday night to help us out.

Thanks to Todd & Mel for their supper donation, awesome savouries & sandwiches from Banjos Moonah, your continued support is gratefully appreciated.

Thanks also to the NHJFC committee, Ange, Bos, Amanda & Tracey for your hard work, also Nat, Nath & Jai who are always roped in by me & their spouses but are always very willing to help.

**LEAN-TO KITCHEN CATERING & EVENTS**

Inc. GASP! Mobile

Lean-To Kitchen Tasmania is an award-winning manufacturer of gourmet mustard, sauce and relish, and we are catering experts!

Chef and Owner, Shayne Lewis, has combined with GASP to bring you a unique food experience. We showcase the very best and freshest of seasonal Tasmanian ingredients and support local businesses.

Contact Shayne about catering for your next event - inside, outside, big or small, we can tailor a menu to suit!

<https://www.facebook.com/pages/Lean-To-Kitchen-Catering-Events-Inc-GASP-Mobile/850433914992189>

## Youth Leadership Program

This program was instigated after our club won a \$5,000 grant from Hydro Tasmania for community leadership.

10 boys (Sam Fros, Callum Woodward, Jake Barrett, Baxter Norton, Damon Curtain, Chris Ransom, Ryan Bosworth, Luke Williams, Campbell Dickens & Jonty Barwick) from our U/16 program applied & were successful in their applications to be our inaugural youth leadership participants.

The journey started with the Hobart City B&F/Gala Ball. The boys were fortunate enough to spend some one on one time with ex NHFC player & AFL player Colin Garland from the Melbourne Football Club. Colin gave them some insight into his journey to the big stage & the personal difficulties he experienced along the way.

Their second official function was the annual life member's lunch where they were introduced to NHJFC life members & guests from our various age groups.

Over the ensuing months, they participated & assisted in the "Special Olympics" day held at the NTO & assisted in the Father's Day activities at New Town High School. Several of them assisted at our Ronald McDonald day fundraiser, rattling the donation tins raising some valuable funds.

3 of the boys Chris Ransom, Luke Williams & Ryan Bosworth went the extra step of taking up coaching/assistant coaching roles at our club in the U/8 & U/10 age groups. They are to be commended on their commitment to our junior programs & their own development.

Their first official component of the program involved an informal presentation by the Hobart City Demon's Junior Development Officer Ryan Matthews on game preparation, this proved timely as several of the boys have since taken the next step into U/18, development league & senior football.

One of the difficulties in maintaining the program has been the time constraints of school, sport, work & life at this age group, we still have 3 components of our program to "fit in" over the next 3 months but we are confident of achieving that & refining the program for next year's group.

## U/12 & U13 Premiers 2014

2014 proved very successful for our U/12's & U/13's both taking out premierships in their respective age groups.

Congratulations to Warren, Jamie, Tracey, Steff, Boris & Lynette & the boys & their families on a great season, the club is super proud not only of your achievements but the disciplined & dignified manner in which you went about your season.

We are looking forward to the flag presentations at our Youth Presentation night in October.

## State Reps

George McCleod (U/12)

Tyler Carr (U/12)

Jesse Clements

Nic Baker

Brady Williams

Hugh Jubb

In 2015, AFL TAS in conjunction with the School Sports program selected an under 12 & under 15 state side to represent Tasmania in Geelong

Many of our very talented under 12 & under 15 boys went through a selection process that culminated 6 in of our boys & one of our coaches representing the state & NHJFC at the National Schools Championships in Geelong in July

A huge congratulations to George McCleod & Tyler Carr (under 12) & Jesse Clements, Hugh Jubb, Brady Williams & Nic Baker (under 15) & our Under 18 A/Coach Gray Coleman on their selections.

## U/16 state Academy reps

Baxter Norton

Jesse Maple

Liam Wakefield

Lochie Plummer

Ryan Cowie

Nic Baker was rewarded for his fantastic carnival, by being named as an emergency for the Australian Team

It was a fantastic effort by all the Tasmanian boys & they are all to be congratulated on their efforts.

Here are some highlights from the U/15 boys;

Jesse Clements: A fantastic experience as a result of hard work, confirmed my belief that hard work get rewards. Advice to juniors: Recovery is your best friend!

Nic Baker: Amazing, I had a great time and met some made heaps of friends.

Advice to juniors: Just keep on working until you reach your goals in life.

Brady Williams: Geelong was a great experience for the boys & I. Highly skilled, physical & gut running. Our main focus at Nationals was recovery as we played 5 games in 7 days.

Advice to juniors: Work hard, because it was worth it!

Hugh Jubb: Great experience Advice to juniors: Never stop pursuing your goals, nothing is impossible!

## Club Song

It's a grand old flag it's a high flying flag  
 It's the emblem for me and for you  
 It's the emblem of the team we love  
 The team of the red and the blue  
 Every heart beats true for the red and the blue  
 As we sing this song for you  
 Should old acquaintance be forgot  
 Keep your eye on the red and the blue
